ACCESS TO PERSONNEL RECORDS

Nurses Unit and Per Diem Nurses Unit

Personnel records are confidential and access to personnel records of the employee shall be limited to the Director of Human Resources, the appointing authority, the Board of Supervisors, or their authorized representatives. Employees currently employed by the County of San Bernardino and/or their representatives, designated by the employee in writing, will be allowed to review the employee's personnel records during regular business hours.

Letters of reference and other matters exempted by law shall be excluded from the right of inspection by the employee.

Negative information may be purged from the personnel records, subject to legal constraints, at the sole discretion of Human Resources or upon the request of the employee and upon approval of Human Resources and the employee shall be so notified.

Employees desiring to review such records shall make such request in writing at least forty-eight (48) hours in advance to their appointing authority or Human Resources, Employee Benefits and Services Division.

ACCESS TO WORK LOCATIONS AND ASSOCIATION VISITATION

Nurses Unit and Per Diem Nurses Unit

(a) Purpose

The parties recognize and agree that in order to maintain good employee relations, it is necessary for Labor Representatives of CNA to confer with County employees. Therefore, CNA Labor Representatives will be granted access to non-work areas during regular working hours to investigate and process grievances or appeals. In addition, CNA Labor Representatives shall be provided access to non-work areas such as break and lunch rooms and conference rooms to conduct representation activities during nurses' non-work time. Such visitations shall not be disruptive or interfere with the duties and operations of the County.

(b) Procedure

CNA Labor Representatives shall be granted access to County facilities, in accordance with this Article, upon obtaining authorization from the appointing authority or designated management representative and after advising of the general nature of the business. The Association shall be required to identify the nurse(s) it wishes to meet with during such nurse(s) work time.

Requests to access non-work areas shall be made by personally contacting the appointing authority or designated management representative as far in advance as possible in advance of the date and time of the intended visit and shall not have such access denied or terminated absent unusual or extraordinary situations. The Labor Representative shall comply with security measures and precautions pertaining to facility access. The appointing authority shall not unreasonably withhold timely access. The appointing authority shall ensure that there is at all times someone designated who shall have full authority to approve access. If a request is denied, the appointing authority or designated management representative shall establish a mutually agreeable time for access to the employee.

CNA Labor Representatives shall not be required to notify the County when accessing public areas during hours open to the public.

CNA Labor Representatives granted access shall limit such visits to a reasonable period of time, taking into consideration the nature of the grievance or appeal or other representation activity.

The appointing authority or designated management representative may mutually establish with the CNA Labor Representative reasonable limits as to the number of visits authorized with the same employee on the same issue, and reasonable limits as to the number of employees who may participate in a visit when several employees are affected by a specific issue. The County shall not unduly interfere with CNA's access rights.

ACCIDENTAL DEATH AND DISMEMBERMENT

Nurses Unit

Any employee may purchase amounts of Accidental Death and Dismemberment Insurance coverage for themselves and dependents through payroll deduction according to the following schedule:

EMPLOYEE COVERAGE	DEPENDENT COVERAGE	
	SPOUSE	EACH CHILD
\$10,000	\$5,000	\$3,125
\$25,000	\$12,500	\$6,250
\$50,000	\$25,000	\$12,000
\$100,000	\$50,000	\$25,000
\$150,000	\$75,000	\$25,000
\$200,000	\$100,000	\$25,000
\$250,000	\$125,000	\$25,000

The County agrees to provide these benefits subject to carrier requirements, to be administered by the Employee Benefits and Services Division. Selection of the insurance provider(s) and the method of computing premiums shall be within the sole discretion of the County.

New employees shall become eligible to participate in these programs on the start of the pay period following completion of 1,040 service hours of satisfactory service.

Note: All persons eligible for the foregoing programs of insurance will be covered for the insurance on the date the insurance becomes effective, or in the case where the employee is absent on the date the insurance becomes effective because of illness, the insurance will commence on the date of return to work.

AGREEMENT

Nurses Unit and Per Diem Nurses Unit

This Agreement is made and entered into by and between the County of San Bernardino hereinafter referred to as the "County" and the California Nurses Association hereinafter referred to as the "Association" or "CNA".

ARBITRATION

Nurses and Per Diem Nurses Unit

- (a) Grievances - Grievances, as defined in this Agreement, which are not settled pursuant to the Grievance Procedure Article and which the Association desires to contest further, shall be submitted to arbitration as provided in this Article.
- (b) Appeals to Arbitration - If the grievance has not been satisfactorily resolved by the County and the grievant under the provisions of the Grievance Procedure, a written appeal to arbitration must be filed with the Employee Relations Division within five (5) working days of notification of the decision by the Director of Human Resources or that individual's designee. At the same time and upon mutual agreement of the parties, the grievance may advance to mediation in accordance with this Article.

- (c) Pre-Arbitration Conferences – Pre-arbitration conferences are mandatory and no grievances shall be arbitrated without exhausting this pre-arbitration process. Twenty (20) working days prior to arbitration, both parties are required to meet in such conference with the goal of resolving mutually identified grievance issues. If resolution is not attained, both parties are obligated at that time to jointly or individually declare stipulations, identify witnesses and exchange exhibits that will be carried forward to the arbitration process, the intent being full disclosure by both sides prior to the arbitration process.
- (d) Arbitration – Grievances shall only be advanced to arbitration with the agreement of CNA. The cost for hearing all grievances advanced to arbitration shall be split equally between the County department of the grievant and CNA, including any cancellation fee, if both parties are mutually responsible, otherwise the party responsible shall pay the entire cancellation fee.

The Employee Relations Division and CNA shall attempt to select an arbitrator by mutual agreement as soon as possible but in no event later than ten (10) working days after receipt of written notice by CNA of its appeal to arbitration. Where mutual agreement cannot be reached, the parties shall request a list of arbitrators from the State Mediation and Conciliation Service, and mutually select an arbitrator within ten (10) working days from receipt of said list. Where mutual agreement cannot be made, the arbitrator shall be determined following a striking process. The determination as to which party strikes first shall be based on a coin flip. If the last remaining person on the list is not available, the previously stricken person(s) shall be contacted in reverse order until one is available. The parties shall contact the arbitrator to establish a hearing date acceptable to both parties.

In reaching a decision and award, the arbitrator shall limit himself to the allegations contained in the grievance presented in relation to the express provisions of the agreement alleged to have been violated. Further, the arbitrator shall have no authority to amend, change, add to, subtract from, or ignore any provisions of this Agreement. Lastly, the arbitrator shall not substitute his judgment for that of the County on matters pertaining to the exercise of managerial discretion except where it can be shown by the grievant/CNA that the County abused its discretion.

The decision of the arbitrator will be in writing and transmitted to the parties within thirty (30) calendar days after the close of the hearing. This decision may require an appointing authority or a subordinate to cease and desist from the action, which is the subject of the grievance. The arbitrator may also require the appointing authority to take whatever action is necessary, within the control of the appointing authority, to remedy the grievance or take other action to relieve the loss, if any, to the employee. Under no conditions can the arbitrator order relief that exceeds the relief requested by the grievant and shall be limited to making the grievant whole. In the event the arbitrator determines that monetary relief is an appropriate remedy, he/she shall consider established arbitral standards and principles in determining whether to make any award retroactive to a date earlier than fifteen (15) working days prior to the date the grievance was filed.

CNA and the County agree to maintain confidentiality of grievances consistent with applicable regulations and laws.

The decision by the arbitrator shall be final and binding on all parties unless there is a financial impact of greater than two thousand five hundred dollars (\$2,500), in which case it shall be subject to approval of the Board of Supervisors. For grievance decisions with financial impact of greater than two thousand five hundred dollars (\$2,500), the Employee Relations Division will submit the grievance decision to the next practicable meeting of the Board of Supervisors. If the Board of Supervisors fails to act within thirty (30) days following receipt of formal notice of the decision of the arbitrator, it shall become final and binding. A copy of the decision shall be filed with the Employee Relations Division of Human Resources, CNA and the grievant.

- (e) Mediation – The parties (Director of Human Resources or designee and CNA) may by mutual agreement utilize mediation for grievances filed under the provisions of this Agreement. The

mediator has no authority to compel resolution of the matter mediated. No reference to a matter mediated may be utilized in a subsequent arbitration or hearing unless stated in writing at a step prior to the mediation. The penalty for violation of this understanding shall be forfeiture of the hearing or appeal by the party violating the same. Where possible the parties shall utilize the mediation services provided by the State or Federal Mediation and Conciliation Service. In the event that the mediation process would result in fees for service rendered by the State or by use of a private hearing officer, such costs shall be equally divided between the employee's department and CNA.

ASSOCIATION MEMBERSHIP AND DEDUCTIONS

- (a) All nurses covered by the terms of this Agreement shall, within thirty-one (31) days after hiring or the effective date of this Agreement, whichever is later, as a condition of employment, either become and remain members in good standing of the Association, or pay an agency fee to the Association, pursuant to the provisions of the MMBA.
- (b) Upon receipt of a written authorization by a nurse using a form CNA provides the County, the County shall deduct and remit to the Association no less frequently than once a month the periodic dues of the Association. The County shall not be responsible for deductions upon a registered nurse's (a) termination of employment; (b) removal from the covered bargaining Unit; (c) layoff from work; (d) leave of absence without pay; (e) receipt of insufficient wages during the collection period; or (f) revocation of dues deduction authorization as provided on the CNA membership application form. The County shall also remit an alphabetical list showing the names of payees and the amounts deducted and remitted. Upon request of the Association, the appropriate County office shall supply completed dues deduction forms to the Association.
- (c) Upon notification to the County by the Association, nurses in the bargaining Unit who do not elect to pay dues as outlined above will, as a condition of continued employment, pay an agency fee. The amount of the agency fee shall not exceed the monthly dues that are payable by members of the Association. The amount of the fee shall automatically be deducted by the County from the wages of the employee and paid to the Association.
- (d) No Unit member shall be required to join CNA or to authorize an agency fee payroll deduction if the Unit member is an actual, verified member of a bona fide religion, body of sect which has historically held conscientious objections to joining or financially supporting employee organizations; this exemption shall not be granted unless and until such Unit member has verified the specific circumstances. Such employee must, instead, arrange with CNA to satisfy his/her obligation by donating the equivalent amount to a non-labor, non-religious charitable fund, tax exempt under Section 501(c)(3) of the Internal Revenue Code chosen by the registered nurse from the following: County Combined Giving Campaign or the Salvation Army.
- (e) The CNA acknowledges that it has, and will continue to, comply with all applicable requirements, regulations, and provisions of law pertaining to dues deductions and agency fees. It is agreed that the County assumes no obligation other than that specified above, or liability, financial or otherwise, arising out of the provisions of this Article. The Association shall inform the County once a year of the amount of the monthly dues and agency fees under this provision. Such notice should be sent in time to provide for appropriate programming. Further, the Association hereby agrees that it will reimburse the County for any cost and indemnify and hold the County harmless from any claims, actions, or proceedings by any person or entity, arising from deductions made by the County pursuant to this Article.
- (f) If, through inadvertence or error, the County fails to make authorized deductions, or any part thereof, the County shall assume no responsibility to correct such omission or error retroactively. Once the funds are remitted to the designated representatives of the Association, their disposition thereafter shall be the sole and exclusive responsibility of the Association. It is expressly understood and agreed that the Association shall refund to the nurse any deductions erroneously withheld from a nurse's wages by the County and paid to the Association. In the event the Association fails to refund such deductions within a

reasonable period of time following notification of the error, the County will make such refund and deduct the amount from the amount due to the Association.

- (g) CNA insurance premiums for plans sponsored by CNA shall be deducted by the County from the pay warrant of each registered nurse covered hereby who files with the County a written authorization requesting that such deduction be made.
- (h) Should a nurse have any questions regarding the amount of periodic dues withheld from his/her wages, the nurse shall contact the Association.

BENEFIT PLAN

Nurses Unit

Section 1 – Medical Premium Subsidy

- (a) The County has established a Medical Premium Subsidy (MPS) to offset a pre-determined portion of the cost of health plan premiums charged to eligible employees. The MPS shall be applied to health insurance premiums only and shall not be applicable to dental plan premiums. The MPS amount payable to each eligible employee shall be based upon the lowest cost high option HMO plan (currently Health Net or a plan equivalent to Health Net) for the number of persons the employee enrolls in the County-sponsored health plan (i.e., "employee only"; "employee + 1"; "employee + 2"). The applicable MPS amount shall be paid directly to the provider of the County-sponsored health plan in which the eligible employee has enrolled. The MPS shall not be considered compensation earnable for purposes of calculating benefits or contributions for the San Bernardino County Employees' Retirement Association. In no case, shall the MPS exceed the total cost of the health insurance premium for the coverage selected.

Effective the first full pay period following Board of Supervisor's approval, nurses shall receive a Medical Premium Subsidy (MPS) in the following amounts:

	Scheduled for 40 to 60 Hours	Scheduled for 61 to 80 Hours
Employee Only	\$70.62	\$141.25
Employee + 1	\$135.14	\$270.28
Employee + 2	\$185.22	\$370.45

Effective July 5, 2008, nurses shall receive a Medical Premium Subsidy (MPS) in the following amounts:

	Scheduled for 40 to 60 Hours	Scheduled for 61 to 80 Hours
Employee Only	\$74.86	\$149.72
Employee + 1	\$147.46	\$294.93
Employee + 2	\$202.11	\$404.22

Effective July 4, 2009, nurses shall receive a Medical Premium Subsidy (MPS) in the following amounts:

	Scheduled for 40 to 60 Hours	Scheduled for 61 to 80 Hours
Employee Only	\$79.35	\$158.70
Employee + 1	\$160.77	\$321.55
Employee + 2	\$220.36	\$440.72

- (b) Eligibility.

Employees in a regular position scheduled for a minimum of forty (40) hours per pay period are eligible to receive the Medical Premium Subsidy towards the cost of health benefits. However,

employees must be paid for at least one-half plus one hour of their scheduled hours in order to actually receive the Medical Premium Subsidy towards the cost of health benefits. For instance, an employee scheduled to work eighty (80) hours per pay period must be paid at least forty-one (41) hours to be eligible to receive the Medical Premium Subsidy for health benefits.

(c) Eligibility While on Leave.

Employees who are on approved leaves of absence for medical reasons for their own serious health condition or a leave pursuant to the FMLA and/or CFRA and whose paid hours in a pay period are less than the required number of hours designated in sub-section (b) above will continue to receive the Medical Premium Subsidy for up to a total of six (6) pay periods in any rolling twelve (12) month period. For example, an employee who continues to receive County contributions towards health insurance for four (4) pay periods while on a non-occupational medical leave will be eligible for an additional two (2) pay periods for a subsequent non-occupational medical leave that occurs during the same rolling twelve month period. However, after the 6th pay period off work, the employee is no longer eligible for health and dental plan coverage. The employee will have the option of enrolling in COBRA continuation coverage.

An employee who does not return to work in any subsequent year after the employee has received the benefits of this sub-section, shall not be eligible for continuation of Medical Premium Subsidy in the subsequent year. For example, an employee who is off work continuously for two years, and has received the MPS for a total six (6) pay periods during his/her absence, shall not be eligible for the continuation of MPS in the next rolling year.

Employees on an approved Workers' Compensation claim shall receive the Medical Premium Subsidy for up to twenty (20) pay periods while off work due to that injury as long as the employee pays his/her portion of the premiums on time. However, after the 6th pay period off work, the employee is no longer eligible for health and dental plan coverage. The employee will have the option of enrolling in COBRA continuation coverage.

"Paid" hours for purposes of this sub-section (b) shall mean accrued paid leave time such as vacation, sick leave, and holidays. It does not include disability payments such as Short Term Disability and Workers' Compensation.

Section 2 – Section 125 Premium Conversion Plan

- (a) Eligible employees shall be provided with a Section 125 Premium Conversion Plan. The purpose of the Plan is to provide employees a choice between paying premiums with either pre-tax salary reductions or after-tax payroll deductions for health insurance, dental insurance, voluntary life (to the IRS specified limit) and accidental death and dismemberment insurance premiums. The amount of the pre-tax salary reduction or after-tax payroll deduction must be equal to the required insurance premium.
- (b) Benefit Plan elections shall not reduce earnable compensation for purposes of calculating benefits or contributions for the San Bernardino County Employees' Retirement Association.
- (c) To be eligible for this benefit, an employee must be in a regular position and be regularly scheduled to work at least forty (40) hours in a pay period or be on an approved leave pursuant to Section 1(c) of this article.
- (d) Election of pre-tax salary reductions and after-tax payroll deductions shall be made within thirty-one (31) days of the initial eligibility period in a manner and on such forms designated by the Human Resources Employee Benefits and Services Division Chief. Failure to timely submit appropriate paperwork will result in after-tax payroll deductions for all eligible premiums for the remainder of the Plan year.
- (e) Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan year except to the extent permitted under Internal Revenue Service rulings and regulations and with the County's Plan Document. Examples of mid-year qualifying events

include: marriage, divorce, birth, adoption, death, over age dependent, loss of student status, reduction in employee's, spouse's or domestic partner's work hours, loss of spouse's or domestic partner's employment, gain or loss of spouse's or domestic partner's insurance, relocation outside an HMO network service area, entitlement to Medicare for employee or dependent, significant increase in County insurance cost during the Plan year, loss or gain of Medicare or Medicaid coverage and spouse's, domestic partner's or dependent's open enrollment. The employee must submit request for a change due to a mid-year qualifying event within thirty-one (31) days of the qualifying event. The Human Resources Employee Benefits and Services Division Chief, or designee, will authorize changes as long as the change is made on account of and consistent with an employee's change in status.

Section 3 – Health and Dental Plan Coverage

- (a) All eligible employees scheduled to work forty (40) hours or more per pay period in a regular position must enroll in a health and dental plan offered by the County. Employees who fail to elect health plan coverage will be automatically enrolled in the health and dental plan with the lowest bi-weekly premium rates available in the geographical location of the employee's primary residence.
- (b) To be eligible for County health and dental plan coverage, an employee must be in a regular position scheduled for a minimum of forty (40) hours and have received pay for at least one half plus one hour of scheduled hours or be on approved leave pursuant to Section 1(c) of this Article.
- (c) Enrollment elections must remain in effect for the remainder of the Plan year unless an employee becomes ineligible for an HMO network service area.
- (d) Eligible employees may elect to enroll their dependents upon initial eligibility for health and dental insurance. Thereafter, newly eligible dependents may be enrolled within thirty-one (31) days of obtaining dependent status, such as birth, adoption, marriage, or registration of domestic partnership.
- (e) Notification of a mid-year qualifying event must be submitted to the Human Resources Employee Benefits and Services Division in accordance with procedures adopted by the County. Employees are responsible for notifying the County within thirty-one (31) days of dependent's change in eligibility for the County plans.
- (f) Dependent(s) must be removed mid-Plan year when a dependent(s) becomes ineligible for coverage under the insurance plan eligibility rules, for example, divorce, over age dependent, gain of coverage on spouse's or domestic partner's employer provided insurance, or termination of domestic partnership.
- (g) Premiums for coverage will be automatically deducted from the employee's pay warrant. Failure to pay premiums will result in loss of coverage for the employee and/or the dependents.
- (h) For employees assigned to work in the Needles, Trona, Baker, and Ridgecrest work locations, the County will establish a "Needles Subsidy." The Needles Subsidy will be paid by the employee's Department and will be equal to the amount of the premium difference between the indemnity health plan offered in these specific work locations and the lowest cost high option health plan provided by the County. This Subsidy will be established each year when premiums change for the County-sponsored health plans. The Subsidy will be discontinued when the lowest cost health plan becomes available to the employees.

Section 4 – Opt-out and Waives

Employees eligible for health plan coverage who are also enrolled in comparable group health plan sponsored by another employer or are covered by a spouse who is also employed with the County may elect to discontinue enrollment in their County-sponsored health plan (opt-out or waive).

- (1) Employees who are scheduled for 61 to 80 hours per pay period and elect to opt-out of or waive County-sponsored health plan coverage and continue to opt-out or waive will receive forty dollars (\$40.00) per pay period; employees who are scheduled for 40 to 60 hours and elect to opt-out of or waive County-sponsored health plan coverage and continue to opt-out or waive shall receive twenty dollars (\$20.00) per pay period.
 - (i) To receive the opt-out or waive amounts the employee must be paid for a minimum of one-half plus one of their scheduled hours. For instance, an employee scheduled to work eighty (80) hours must be paid for a minimum of forty-one (41) hours.
- (i) Employees eligible for dental plan coverage who are also enrolled in a comparable group dental plan sponsored by another employer may elect to discontinue enrollment in their County-sponsored dental plan.
- (j) The rules and procedures for electing to opt-out of County-sponsored health and dental plan coverage are established and administered by the Human Resources Employee Benefits and Services Division.
 - (1) Employees may elect to opt-out of County health and/or dental plan(s) within thirty (30) calendar days of the effective date of coverage of another employer-sponsored group plan. Proof of initial gain of other group coverage is required at the time that opt-out is elected.
 - (2) Employees may elect to opt-out of County health and/or dental plan(s) during an annual open enrollment period. All employees who are newly opting-out during an open enrollment period must provide verification of other group coverage.
 - (3) To continue to opt-out, employees must re-elect the opt-out benefit and certify that they have other group coverage during each annual open enrollment period. Except as required at the initial opt-out election, employees are not required to provide verification of continued coverage unless requested by the Plan administrator.
 - (4) An employee who elects to opt-out of dental plan coverage may not re-enroll in a County-sponsored dental plan for a minimum of two (2) years unless the employee involuntarily loses coverage from the other employer-sponsored group dental plan. Employees who elect to enroll in County dental coverage, for reasons other than involuntary loss of another group sponsored dental plan coverage, may enroll during the open enrollment following completion of the two (2) year dental opt-out restriction. NOTE: a voluntary loss of other group dental insurance may result in a break in dental coverage until the two (2) year mandatory opt-out period is complete.
 - (5) Employees who voluntarily or involuntarily lose their other group health plan coverage must enroll in a County-sponsored health plan within thirty (30) calendar days. Enrollment in the County-sponsored plan will be provided in accordance with the requirements of the applicable plan. If the employee elects not to enroll their eligible dependents, the dependents may only be added at a subsequent annual open enrollment period.
 - (6) There must be no break in the employee's health plan coverage between the termination date of the other employer group coverage and enrollment in a County health plan. Terms and conditions of the applicable plan will determine the required retroactive enrollment period and premiums required to implement coverage. Failure to notify the County of loss of group coverage within thirty (30) calendar days will require the employee to pay their insurance premiums retroactively on an after-tax basis.
- (k) An eligible employee whose spouse or domestic partner is also an eligible County employee may elect coverage as a dependent on their spouse's or, if the employee is age eighteen (18) or younger, on their parent's County health and/or dental insurance plan in lieu of individual employee coverage. This is called a "waiver" to their County spouse's or parent's County insurance coverage. Such election must be made within thirty (30) calendar days of

the employee's, County parent's or the County spouse's eligibility for County health and dental insurance. During the Plan year, an employee is responsible for notifying the County within thirty (30) days of ineligibility for the waiver, for example the dependent child turns nineteen (19) or the spouse leaves County employment. Changes will become effective on the first day of the pay period following the receipt and approval of all appropriate documentation. Loss of the spouse's or parent's County plan coverage will require the employee to immediately enroll in the County's health and dental plans. Waivers may be changed during any subsequent annual health and dental open enrollment period.

BILINGUAL COMPENSATION

Nurses Unit and Per Diem Nurses Unit

- (a) Employees who, with the approval of their appointing authority (the Director of Nursing), are required to perform bilingual translation before an officially convened court, appeals board, commission, or hearing body, in addition to their regular duties, shall be entitled to a bilingual per diem differential. Such differential shall apply regardless of the total time required per day for such translation. Such differential shall be twelve dollars (\$12.00) per day and shall only be paid upon certification by the employee's appointing authority or presiding official that such translation was performed.

Nurses Unit

- (b) Employees in positions designated by the appointing authority which require employees as a condition of employment to perform bilingual translation involving the use of English and a second language (including American Sign Language) as a part of their regular duties, shall be entitled to bilingual compensation. Such compensation shall apply regardless of the total time required per day for such translation. Employees in such positions must be certified as competent in translation skills by Human Resources to be eligible for compensation. There are three (3) levels of competency certification solely determined and administered by Human Resources: Level 1 - verbal skill level: the use of English and a second language in verbal contexts which may require interpretation of simple documents in the second language; Level 2 - written skill level: reading, writing and speaking English and a second language; and Level 3 - technical skill level: reading, writing and speaking English and a second language using medical or legal terminology. Compensation per pay period shall be effective as follows: verbal skill level at fifty dollars (\$50.00) per pay period, written skill level at fifty-five dollars (\$55.00) per pay period, and technical skill level at sixty dollars (\$60.00) per pay period. Such compensation shall be paid pro-rated based on hours actually worked. For example, an employee regularly scheduled to work eighty (80) hours per pay period but only actually works forty (40) hours shall receive one-half (1/2) of the differential during that pay period.

Per Diem Nurses Unit

- (c) Employees in positions designated by the appointing authority (the Director of Nursing) which require employees as a condition of employment to perform bilingual translation involving the use of English and a second language (including American Sign Language) as a part of their regular duties, shall be entitled to bilingual compensation. Such compensation shall apply regardless of the total time required per day for such translation. Employees in such positions must be certified as competent in translation skills by Human Resources to be eligible for compensation. Bilingual compensation shall be five dollars (\$5.00) per shift for shifts scheduled less than twelve (12) hours, and seven dollars and fifty cents (\$7.50) per shift for shifts scheduled twelve (12) hours or more.

CONCURRENT COUNTY EMPLOYMENT

When employees work concurrently in regular and per diem positions, they shall not schedule work in the per diem position during the time they are scheduled to work in the regular position, nor will employees use paid or unpaid leave time from their regular position in order to work in the per diem position. For purposes of overtime compensation, the regular position and the per diem position will be treated as separate positions and the employee shall be entitled to overtime compensation as specified in the appropriate MOU governing each position.

EXAMPLE #1: A Registered Nurse II - ARMC works 84 hours in his/her regular position and two (2) shifts totaling 16 hours at the Sheriff's Department as a Correctional Nurse Per Diem during a pay period. He/she will be paid for 80 hours of regular straight time, including applicable shift and unit differentials, and 4 hours of overtime in the regular position, and 16 hours of per diem straight time, including applicable shift and unit differentials, in the per diem position.

EXAMPLE #2: A Registered Nurse II – Public Health works 80 hours in his/her regular position and works a 12 hour shift as a Registered Nurse II – Per Diem at ARMC. This Article neither establishes nor grants any rights or benefits to the Association or employees covered by this Agreement, and the County shall be free to exercise its rights under this provision without negotiation with or challenge from the Association or employees except where it can be demonstrated that such exercise is contrary to a specific limitation placed upon the County in another Article of this Agreement.

The County's failure to exercise any right, prerogative, or function reserved to it or the exercise of any such right, prerogative, or function in a particular manner, shall not be considered a waiver of the County's ability to exercise such rights, prerogatives, or functions or preclude the County from exercising the same in some other manner.

A promoted employee who returns to his/her former classification during the probationary period shall be placed on the same step within the base salary range for the former classification that the employee was on at time of promotion. No credit shall be granted for time spent at the promoted level for next step advance due date.

A probationary employee who voluntarily demotes to a different classification from which the employee was promoted shall be retained at the same salary rate, provided that the salary rate does not exceed the top step of the lower classification. If the salary rate is higher than the top step of the lower classification, the employee shall be placed at the top step of the base salary range of the lower classification.

An employee with regular status who voluntarily demotes to a lower classification shall be retained at the same salary rate, provided that the salary rate does not exceed the top step of the lower classification. If the employee held prior regular status in the demoted to classification, the employee shall resume said status. If the employee did not have prior regular status in the classification, the employee shall be required to serve a probationary period, unless waived by the Director of Human Resources.

DEPENDENT CARE ASSISTANCE PLAN

Nurses Unit

The purpose of this Section 125 Dependent Care Assistance Plan (DCAP) is to permit eligible employees to make an election to pay for certain dependent care expenses with salary reduction from compensation contributed to the Plan before federal income or social security taxes are paid to the Internal Revenue Service ("Salary Reduction") in accordance with Sections 125 and 129 of the Internal Revenue Code (IRC) of 1986 and regulations issued pursuant thereto. DCAP shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law. DCAP exclusions from gross income do not affect compensation for retirement purposes.

DCAP will be administered by the County's Human Resources Employee Benefits & Services Division Chief consistent with said IRC Sections.

- (a) To be eligible for this benefit, an employee must be in a regular position and scheduled for a minimum of forty (40) hours per pay period and be paid for a minimum of one half plus one of the scheduled hours, be on an approved leave designated as Family Medical Leave Act, or be on an approved Military Leave.
- (b) Enrollment in the Plan is limited to the annual open enrollment period or within thirty-one (31) calendar days of entry into an eligible position. Failure to submit participation agreement within the time frame shall result in an election to not participate in the Plan.
- (c) Enrollment is required every Plan year.
- (d) An employee must elect to contribute to DCAP through salary reduction on forms approved

by the Human Resources Employee Benefits & Services Division Chief. An employee election to participate shall be irrevocable for the remainder of the Plan year. Once a salary reduction has begun, in no event will changes in elections be permitted during the Plan year except to the extent permitted under Internal Revenue Service rulings and regulations and with the County's Plan Document. Examples of mid-year "Change in Status" events include: marriage, divorce, birth, adoption, death, over age dependent, loss of student status, employee's or spouse's reduction in work hours, loss of spouse's employment, significant increase or decrease in the cost of child care, and spouse's or dependent's enrollment in a similar plan. The employee must submit a request for a change due to a mid-year Change in Status event within thirty-one (31) days of the qualifying event. The Human Resources Employee Benefits and Services Division Chief, or his/her designee, will authorize changes provided the change is made on account of and is consistent with an employee's Change in Status Event.

Pursuant to IRC Section 125, any amounts remaining in the employee's account at the end of a Plan Year must be forfeited. The County will use any forfeited amounts to help defray the Plan's administrative expenses.

DIFFERENTIALS

Nurses Unit and Per Diem Nurses Unit

Section 1 – Unit Differential

Registered nurses regularly assigned to a special treatment unit at the Arrowhead Regional Medical Center shall be entitled to Unit differential upon certification of the appointing authority that said nurse possesses specialized skills required to perform within the assigned unit. Special treatment unit for eligible employees is defined as Burn, Emergency, Respiratory, Intensive Care, Cardiac Services, Behavioral Health, Labor and Delivery, Medical Imaging, Operating Room, Dialysis, and Neonatal Intensive Care Units.

The Unit differential shall be one dollar and seventy-five cents (\$1.75) per hour over and above their base hourly rate for Respiratory, Intensive Care, Cardiac Services, Behavioral Health, Labor and Delivery, Medical Imaging, Operating Room, Dialysis, and Neonatal Intensive Care Units. The rate for eligible employees in the Burn and Emergency Units shall be two dollars (\$2.00) per hour.

Section 2 – Charge Nurse Assignment

A nurse who is assigned to perform as a Charge Nurse or Service Coordinator in the Operating Room shall receive additional compensation of one dollar and fifty cents (\$1.50) per hour above their base hourly rate. The additional compensation shall only be paid for hours actually worked in the Charge Nurse assignment.

Section 3 – Medical Support Weekend Differential

Employees designated in this paragraph assigned to hospital, mental, or correctional institutions, who work on a scheduled weekend day off, shall be paid an additional four dollars (\$4.00) per hour over and above their base hourly rate. Weekend, for purposes of this provision, is between 11:00 p.m. Friday through 11:00 p.m. Sunday night. In no event shall this differential be paid for a weekend tour of duty, which was regularly scheduled as part of a standard tour of duty.

Section 4 – Mobile Intensive Care Nurse Certification Differential

Registered nurses assigned to the Arrowhead Regional Medical Center (ARMC) and the Emergency Medical Services Nurses assigned to the Inland Counties Emergency Management Agency (ICEMA) who are required to maintain a certificate as a Mobile Intensive Care Nurse (MICN) shall be entitled to a differential of one dollar and seventy-five cents (\$1.75) per hour above their base hourly rate of pay for all hours actually worked performing the MICN function.

The County and CNA agree to meet and confer on the MICN differential as soon as practicable following approval of this MOU so that the parties can address differential amounts, structure, scheduling, and eligibility issues.

Section 5 – Preceptor Pay

A nurse who is assigned to perform as a preceptor shall receive additional compensation of one dollar and fifty cents (\$1.50) per hour above their base hourly rate. The additional compensation shall only apply for hours actually worked in the preceptor assignment in which the nurse precepts newly hired or transferred regular, per-diem or Interim Permit nurses, LVNs, and surgical techs. A nurse shall be paid Preceptor Pay for the period of time determined by the County for precepting duties as part of a formalized preceptor program. When the determined period of time is completed, the nurse may continue to act as a mentor. Nurses will not be eligible for Preceptor Pay to work with or orient newly hired or current non-nursing staff, students, or registry personnel. Nurse Educators and Nursing Program Coordinators shall not be eligible for Preceptor Pay.

*NOTE: Based upon discussions at the bargaining table, CNA recognizes that a nurse may be required to act as a mentor, but not receive Preceptor Pay.

Section 6 – Shift Differentials

(a) Purpose – It is the purpose of this provision to compensate employees, who are required to actually work evening or night shift tours of duty, over and above the established base rates of pay.

(b) Eligible Personnel – Employees assigned to a continuous or regularly recurring evening or night shift tour of duty shall be eligible for shift differential compensation. Further, employees who provide relief work for other employees assigned to continuous or regularly recurring evening or night shift tours of duty may receive shift differential compensation with prior approval of the appointing authority.

(c) Special Provisions

(1) Shift differential compensation shall not be included in the base rate of pay when computing overtime, or call-back pay. Employees who are assigned to a continuous evening or night shift tour of duty shall receive such differential in addition to base pay when computing paid leave compensation.

(2) Overtime worked is in addition to a scheduled tour of duty and is compensated separately in accordance with the overtime provisions of this Agreement.

(d) Compensation

(1) Employees whose assigned tour of duty, with or without intervening meal time, includes at least four (4) hours between 6:00 p.m. and 12:00 a.m. (midnight), shall receive two dollars (\$2.00) per hour over and above their base hourly rate.

(2) Employees whose assigned tour of duty, with or without intervening meal time, includes at least four (4) hours between 12:00 a.m. (midnight) and 8:00 a.m. of the following day, shall receive three dollars and twenty-five cents (\$3.25) per hour over and above their base hourly rate effective at the beginning of the first pay period following Board of Supervisors' approval of this Agreement. Effective at the beginning of the first full pay period following the first anniversary of this Agreement, the County shall increase the "night" shift differential to three dollars and fifty cents (\$3.50) per hour over and above their base hourly rate.

Section 7 – Certification Pay

Any nurse in the Sheriff's Department who completes the requirements and is assigned and performs work under an advanced standardized protocol in a correction facility shall receive

certification pay of \$700 per year, payable in semi-annual installments.

Any nurse who maintains appropriate certifications and is required to regularly administer chemotherapy treatments shall receive certification pay of \$700 per year, payable in semi-annual installments.

Such payments shall be made in the first full pay period in January and July of each year.

DISASTER SERVICE WORKERS

Nurses Unit and Per Diem Nurses Unit

All employees covered by this Agreement are public employees, and, as such, are to serve as disaster service workers subject to such service activities as may be assigned to them by their superiors or by law, pursuant to Government Code Section 3100.

DISCIPLINE AND ADMINISTRATIVE APPEALS

Per Diem Nurses Unit

All written corrective and disciplinary actions of nurses in the RN I Per Diem, RN II-Per Diem, Float Pool Specialty RN-Per Diem, Float Pool RN-Per Diem, Correctional Nurse-Per Diem, classifications with more than 1600 hours of service in the classification, except those specifically excluded, are subject to the discipline and administrative appeals process outlined in this article. The discipline and administrative appeals process is as follows:

- (a) Within fourteen (14) calendar days of the corrective or disciplinary action presented to the nurse, the nurse may submit to the Human Resources Officer assigned to their department a written request to schedule a meeting to discuss the action taken. Within five (5) working days of this meeting, the Human Resources Officer shall give the Nurse his/her decision.
- (b) If a mutually acceptable solution has not been reached, the Per Diem Nurse shall submit a written appeal to the Department Head within five (5) working days of notice from the Human Resources Officer. The Department Head or Designee shall meet with the Per Diem Nurse and/or representative to discuss the administrative appeal. Within ten (10) working days of the meeting with the Per Diem Nurse, the Department Head shall provide the Per Diem Nurse his/her decision. Such notification shall be rendered in writing to the Nurse and representative.
- (c) If a mutually acceptable solution has not been reached with the Department Head, the Per Diem Nurse may submit a written appeal to the Human Resources Director or designee within five (5) working days of notice from the Department Head. The Human Resources Director or designee shall meet with the Per Diem Nurse and/or representative to discuss the administrative appeal.

Following a review of the administrative appeal, the Human Resources Director or designee shall have full and final authority to mutually resolve the administrative appeal with the employee/employee's representative within ten (10) working days of the meeting with the Per Diem Nurse. Such notification shall be rendered in writing to the Nurse and representative.

Corrective and disciplinary actions taken as a result of a Per Diem Nurse's failure to meet the minimum commitment level and/or maintain required licensure and certification(s) are specifically excluded from the Discipline and Administrative Appeals process. However, a Per Diem Nurse with more than 1600 hours in the per diem classification who has been involuntarily separated for other reasons may, upon exhaustion of the above-described administrative appeal process, file an appeal to arbitration of the Human Resources Director's or designee's determination to separate the Per Diem Nurse's employment. Such written appeal to arbitration must be filed with Employee Relations within five (5) working days of the Human Resources Director's or designee's written decision to the Per Diem Nurse. The only issue to be decided by the arbitrator is whether the reason for the separation of the Per Diem Nurse is reasonably

supported by evidence or facts and is for a reason for which discipline is normally warranted. For example, if a Per Diem Nurse is separated for tardiness, the arbitrator shall only have authority to make a determination as to whether the County established that the Per Diem Nurse was tardy and that tardiness is a reason for which discipline is normally warranted. The arbitrator shall only have the authority to reinstate the Per Diem Nurse if the arbitrator determines that the reason for the separation of the Per Diem Nurse is not reasonably supported by evidence or facts. Nothing herein is intended, nor shall it be construed, to confer regular status or civil service rights and protections, pursuant to the Personnel Rules, to nurses in the Per Diem Nurses Unit. It is expressly understood that Per Diem Nurses are and shall remain in the unclassified service. The employee(s) may represent themselves, or may be represented by an authorized CNA Labor Representative and/or a Registered Nurse Representative. This representation may commence at any step in the Discipline and Administrative Appeals Process. The County agrees within reasonable limits to compensate the Nurse for time spent during regularly scheduled hours in the handling of an administrative appeal.

DISCIPLINE AND APPEALS

Nurses Unit

A nurse may only be disciplined for just cause. For purposes of appeals under this Article, counseling (e.g., Memos of Counseling, Personnel Reports, Records of Discussions, Memos of Concern, Plans of Correction, and other such documents) shall not be considered formal discipline and are not subject to the appeals provisions provided for under this MOU.

The County recognizes the need for appeal processes that follow established procedures to facilitate the resolution of disputes between the nurse and the County. If a nurse believes they have been adversely affected as a consequence of an action by the County and desires to reverse the result, the nurse may bring forward that appeal in one of the following County appeal processes:

- (a) The grievance and arbitration procedure, when the alleged adverse action falls within the definition of a grievance as defined in the Grievance Procedure Article of this MOU.
- (b) The Civil Service Commission, when the alleged adverse action is appealable as specified in the Personnel Rules. Examples include, but are not limited to, formal discipline, classification, reassignments, etc.
- (c) Written reprimands are not subject to the grievance arbitration process except where it is the intent of the County to terminate the registered nurse for the next instance of the same misconduct (i.e., misconduct is the same nature and severity) for which the registered nurse received the reprimand. For example, a nurse who receives a written reprimand for excessive tardiness will not be entitled to use the grievance process if further excessive tardiness will lead to progressive discipline for which the nurse may appeal. Where the reprimand is not subject to the grievance and arbitration process, the nurse may contact the Human Resources Officer assigned to their department to schedule a meeting to discuss the reprimand. If the nurse is dissatisfied with the outcome of the meeting, the Human Resources Officer will contact the supervisor to request reconsideration of the reprimand.
- (d) If a nurse receives no additional reprimand for three (3) years, this reprimand shall no longer be used to establish the level of discipline imposed, provided it did not involve conduct of a serious or egregious nature (e.g., harassment, violence, threats, substance abuse, etc.).

DUAL APPOINTMENTS

Nurses Unit

The appointment of two (2) full-time employees to the same budgeted regular position may be authorized by the Director of Human Resources to facilitate training, to make assignments to a position which is vacant due to extended authorized leave of absence, or in an emergency. The most recently hired dual appointee shall enjoy all of the benefits of regular employees

except regular status, unless the most recently appointed dual appointee has regular status in the classification. The most recently appointed employee shall be notified in writing by the appointing authority and such notification will clearly define the benefits to which that employee is entitled. Upon return of the initial appointee or completion of the training period or emergency, the following procedure shall apply. If the most recently appointed dual appointee has regular status in the same classification, he/she shall be placed in a vacant position in the same classification in the department/group. If no position is available, the employee shall be laid off, pursuant to the layoff provisions of this Agreement; provided, however, that the initial appointee shall be excluded from the order of layoff. If the most recently appointed dual appointee does not have regular status in the classification, he/she may be appointed to a vacant position in the same classification in the department/group, however, he/she shall be required to serve a probationary period unless waived by the Director of Human Resources. If the most recently appointed dual appointee held prior regular status in a lower classification immediately preceding the dual appointment, he/she shall have the right to return to the former classification and department. If he/she has not held prior regular status in a lower level classification, he/she shall be terminated.

ELECTRONIC FUND TRANSFER

Nurses Unit and Per Diem Nurses Unit

As a condition of employment, all employees hired after March 27, 1999, must make and maintain arrangements for the direct deposit of paychecks into the financial institution of their choice via electronic fund transfer. Employees who have not made such arrangements by the end of the 4th pay period after their date of hire shall be subject to termination. In cases where an employee is unable to make arrangements for electronic fund transfer, the Director of Human Resources may allow an exception to this Article. Any exceptions granted may be reviewed periodically for continuation, subject to the approval of the Director of Human Resources.

Employees have the option of voluntarily receiving direct deposit of expense reimbursements into a financial institution of their choice via electronic fund transfer provided they have a County or personal e-mail address. Employees shall receive notification by e-mail of any direct deposits of expense reimbursements. In the event an error is made in the amount deposited via electronic fund transfer, employees shall be notified by e-mail of the reversal of the incorrect direct deposit transaction.

EXPENSE REIMBURSEMENT

Nurses Unit and Per Diem Nurses Unit

Section 1 – General Provisions

The purpose of this Article is to define the policy and procedures by which employees shall report and be reimbursed for necessary expenses incurred on behalf of San Bernardino County, except as may be otherwise provided in this Agreement.

Section 2 – Responsibilities

It shall be the responsibility of each appointing authority or designee to investigate and approve each request for expense reimbursement. It shall be the responsibility of each employee to obtain prior approval from the appropriate appointing authority or designee to incur a business expense or to exceed maximum allowable amounts provided in Section 7 of this Article. Prior approval may be in the form of standing orders issued by the appointing authority. Failure to obtain prior approval may result in denial of any expense claim (or excess amount) not pre-approved.

Section 3 – Travel Authorization

(a) Travel outside the State of California must be approved by the County Administrative Officer or designee except when the trip outside California is within twenty (20) miles of the California border or travel through a location anywhere in the adjacent state as a means of arriving at a

location within California. Requests for such travel shall be submitted to the County Administrative Office in triplicate on a standard "Travel Request" form, unless specifically approved in the department's budget.

- (b) The appointing authority or designee shall initiate travel requests. The County Administrative Officer and Auditor/Controller shall be notified in writing of all such designees.
- (c) The appointing authority or designee is authorized to approve necessary travel within the State of California and use of transportation mode consistent with this Article.
- (d) Travel time to and from training sites for mandatory training, on overnight trips, to temporary work assignments, or for special one day assignments in another city or jurisdiction shall be considered hours worked in accordance with FLSA regulations.

Section 4 – Authorization for Attendance at Meetings

- (a) Appointing authorities may authorize attendance at meetings at County expense when the program material is directly related to an important phase of County service and holds promise of benefit to the County as a result of such attendance.
- (b) Authorization for attendance at meetings without expense reimbursement, but on County time, may be granted when the employee is engaged on the County's behalf, but from which the gain will inure principally to the benefit of the employee and only incidentally to the County.

Section 5 – Records and Reimbursements

- (a) Requests for expense reimbursement should be submitted once each month, except if the amount claimable for any month does not exceed twenty-five dollars (\$25.00), the submission may be deferred until the amount exceeds twenty-five dollars (\$25.00) quarterly or until June 30 during the current fiscal year, whichever occurs first. At the end of the fiscal year, expense reimbursement claims for July 1 and beyond must be on a separate claim from those expenses claimed for June 30 or earlier.
- (b) Unless otherwise provided in this Article, original receipts or vouchers which verify the claimed expenditures will be required for all items of expense, except:
 - (1) Private mileage.
 - (2) Taxi, streetcar, bus and ferryboat fares; bridge and road tolls; and parking fees.
 - (3) Telephone and telegraph charges.
 - (4) Other authorized expenses of less than one dollar (\$1.00).
- (c) Claims for expense reimbursement totaling less than one dollar (\$1.00) in any fiscal year shall not be paid.
- (d) Reimbursement shall not be made for any personal expenses such as, but not limited to: entertainment, barbering, etc.
- (e) Except as otherwise provided in this Article, expense reimbursements shall be made on an actual cost basis.
- (f) Expense reimbursements may be made via Electronic Fund Transfer.

Section 6 – Transportation Modes

- (a) The general rule for selection of a mode of transportation is that mode which represents the lowest expense to the County. Where an employee is given the choice between several

means of travel (e.g. use of County vehicle vs. own personal vehicle, flying vs. driving, etc.) and the employee chooses the option that is more costly, the employee shall only be reimbursed for the lesser cost option. For example, if an employee chooses to drive his/her own vehicle when offered a County vehicle, the employee shall not be entitled to any reimbursement. Similarly, if the cost of flying on an airplane is less than the cost of driving, the employee shall only be reimbursed for the amount the County would have paid for the flight.

(b) Travel Via Private Automobile

(1) Reimbursement for the use of privately owned automobiles to conduct County business shall be at the IRS allowable rate. Reimbursement at this rate shall be considered as full and complete payment for actual necessary expenses for the use of the private automobile, insurance, maintenance, and all other transportation-related costs. The County does not provide any insurance for private automobiles used on County business. The owner of an automobile is responsible for the personal liability and property damage insurance when the vehicle is used on County business.

(2) When employees traveling on official County business, leave directly from their principal place of residence rather than from their assigned work location, mileage allowed to the first work contact point shall be the difference between the distance from the residence to the assigned work location and the distance from the residence to the first work contact point. If the first work contact point is closer than the assigned work location, no mileage shall be allowed. If the employee departs from the last work contact point directly to the residence, the same principle governs.

Employees may have multiple assigned work locations. Mileage allowed is based on the assigned work location for that day. When employees have more than one assigned work location in a standard tour of duty, mileage shall be allowed between assigned work locations.

In no case will mileage be allowed between the employee's residence and the assigned work location.

(c) Travel Via Rental Vehicles

Reimbursement will be provided for the cost of a rental vehicle for business purposes if such use is approved by the appointing authority. Rental vehicles are covered for liability and vehicle physical damage under the County's self-insurance program. Reimbursement will not be provided for the additional costs incurred if any employee purchases additional insurance or signs a Collision Damage Waiver (CDW) when renting a vehicle for County business. Requests for reimbursement for gasoline for rental vehicles must be accompanied by a copy of the rental agreement or rental receipt and gasoline receipt.

(d) Travel Via Air

When commercial aircraft transportation is approved, the "cost of public carrier" shall mean the cost of air coach class rate including tax and security surcharges.

Section 7 – Meals and Lodging

(a) Meal and lodging expenses shall not be allowed without prior approval of the appointing authority or designee as necessary for the purpose of conducting County business. Excess charges greater than the amounts listed below in paragraphs (b) and (c) may be authorized under special conditions, such as a convention requirement or in an area of unusually high cost (such as San Francisco Bay area, Sacramento, Los Angeles and San Diego). Original receipts are mandatory to obtain reimbursement for all lodging expenses, and except as provided below for all meal expenses claimed.

(b) The allowance for lodging is seventy-five dollars (\$75.00) plus tax, per night, single, with receipt.

(c) Compensation for meal expenses may be provided as follows:

- (1) Option 1 – With receipts, an employee may be reimbursed for meal expenses up to \$50.00 per day, including tax and gratuity, for three (3) meals, or when separate meals are claimed, eleven dollars (\$11.00) for breakfast; fifteen dollars (\$15.00) for lunch; and twenty-four dollars (\$24.00) for dinner, all including tax and gratuity.
- (2) Option 2 – Without receipts, an employee may be reimbursed for meal expenses up to \$34.00 per day, including tax and gratuity, for three (3) meals, or when separate meals are claimed, six dollars (\$6.00) for breakfast, nine dollars (\$9.00) for lunch, and nineteen (\$19.00) for dinner, all including tax and gratuity.
- (3) All meals for a single day must be claimed under either Option 1 or Option 2.

(d) Meal allowances for a business meeting/conference including meals are the actual cost.

(e) The parties agree that it is the basic responsibility of employees to anticipate and make provision for their own meals. In emergency situations at the work site, if an employee is unable to obtain a meal due to extraordinary working conditions or an extremely remote work site, the County shall make every effort to provide meals.

Section 8 – Expense Advances

Advancement of funds for business expenses can be obtained from the Auditor/Controller's Office through submission of the appropriate form. Advancements shall not exceed the maximum per diem amounts set forth herein. The minimum amount to be advanced is twenty-five dollars (\$25.00). Upon return from travel, the employee must submit an expense reimbursement form and all receipts documenting expenses incurred. If the employee does not submit this accounting within fifteen (15) calendar days of return from travel, or prior to termination of County employment, the Auditor/Controller's Office may recover the amount advanced from the employee's pay.

Section 9 – County Credit/Debit Cards

The appointing authority may issue a County credit or debit card to an employee and require business expenses be paid for with said card. Further, the County may require that meal and lodging expenses be limited to the maximum amounts listed in Section 7, paragraphs (b) and (c) above. If unauthorized charges are placed on the card, the employee shall be required to reimburse the County. If the employee fails to reimburse the County within fifteen (15) calendar days or prior to separation from County service, the Auditor/Controller's Office may recover any unauthorized charges from the employee's pay.

FLEXIBLE SPENDING ACCOUNT

Nurses Unit

The purpose of this Section 125 Medical Expense Reimbursement Flexible Spending Account (FSA) is to permit eligible employees to make an election to pay for qualifying medical care expenses, as determined by Section 213 of the Internal Revenue Code of 1986 (IRC), on a pre-tax basis by salary reduction in accordance with Sections 125 and 105(b) of the IRC and regulations issued pursuant thereto. FSA shall be construed to comply with said Code Sections and to meet the requirements of any other applicable provisions of law. FSA exclusions from gross income do not affect compensation for retirement purposes.

FSA will be administered by the County Human Resources Department, Employee Benefits and Services Division, consistent with said IRC Sections.

- (a) To be eligible for this benefit, an employee must be in a regular position, regularly scheduled to work forty (40) or more hours per pay period and paid for a minimum of one half plus one of the scheduled hours, be on an approved leave designated as Family Medical Leave Act or on

an approved military leave.

- (b) Enrollment in the Plan is limited to the annual open enrollment period or no later than thirty-one (31) days following the date of becoming eligible. Failure to submit an election agreement within the specified time frame shall result in an election to not participate in the Plan. The FSA Plan year will coincide with the County's Benefit Plan year.
- (c) Enrollment is required every Plan year. An employee must elect to contribute to FSA through salary reduction on forms approved by the County Human Resources Department, Employee Benefits and Services Division.
- (d) Eligible employees may contribute, on a pre-tax basis, a minimum of five dollars (\$5.00) and a maximum of twenty-five dollars (\$25.00) per biweekly pay period to a Flexible Spending Account. An employee election to participate in the Plan shall be irrevocable for the remainder of the Plan year. Once a salary reduction has begun, in no event will changes to elections or discontinuation of contributions be permitted during the Plan year except to the extent permitted under Internal Revenue Service rulings and regulations and with the County's Plan Document. Examples of eligible mid-year Change in Status events include: marriage, divorce, birth, adoption, death, overage dependent, loss of student status, the employee's or employee's spouse's reduction in work hours, and loss of spouse's employment. The employee must submit a request for a mid-year Change in Status event within thirty (30) days of the qualifying event. The Employee Benefits and Services Division, will authorize changes provided that the change is made on account of and consistent with an employee's qualifying Change in Status event.
- (e) Pursuant to IRC Section 125, any amounts remaining in an employee's account at the end of the Plan year must be forfeited. The County will use any forfeited amounts to help defray the Plan's administrative expenses.

FULL UNDERSTANDING, MODIFICATION AND WAIVER

Nurses Unit and Per Diem Nurses Unit

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the full right and adequate opportunity to make demands and proposals with respect to any subject or matter within the scope of representation, and that the understandings arrived at after the exercise of that right are set forth in this Agreement. This Agreement, to the extent provided by law, is the sole source of rights and terms and conditions of employment for nurses in this bargaining Unit. The express provisions of this Agreement for its duration therefore constitute the complete and total contract between the County and CNA with respect to wages, hours, and other terms and conditions of employment. Any prior or existing Agreement between the parties, whether formal or informal, regarding any such matters are hereby superseded and terminated in their entirety. Therefore, except as provided below, the County and CNA for the life of this Agreement, each voluntarily waives the right to meet and confer in good faith with respect to any subject or matter referred to or covered in this Agreement. The waiver of any breach or term or condition of this Agreement by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

GRIEVANCE PROCEDURE

Nurses Unit and Per Diem Nurses Unit

Section 1 – Purpose

The Union and the County recognize that the goal of the grievance procedure is to attempt to resolve the grievance at the lowest level possible with the least amount of time and resources. The parties agree to fully cooperate in the investigation of grievances including the sharing of available relevant information that substantiates each party's position.

Section 2 – Definition of and Requirements for Filing a Grievance

A grievance is a disagreement between the County and an employee, group of employees, or CNA concerning the application or alleged violation of a specific Article(s) of this Agreement. A grievance may be filed by an employee, a group of employees, or by CNA on behalf of an individual grievant or a group of employees. Group grievances are defined as, and limited to, those grievances that allege more than one (1) employee suffered harm under similar facts and circumstances within the grievance filing period. Group grievances shall name all harmed employees and/or classifications and identify the departments and/or work locations of such employees. Where a group grievance is filed, one (1) employee in the group shall be selected by CNA to process the grievance. A grievant shall be entitled to CNA representation at any step under this Grievance Procedure.

Section 3 – Jurisdiction

The Director of Human Resources or designee shall have the sole authority, within the County structure, to provide the official management interpretation or application to any and all provisions of this Agreement. The arbitrator has the final authority, within the County structure, to

adjudicate all grievances, as defined or otherwise provided herein. The arbitrator holds no jurisdiction over a grievance where the remedy has been granted or where the requirements of this Grievance Procedure have not been met.

Section 4 – Exclusions

Except as otherwise provided by this Agreement or state or federal statute, this Grievance Procedure shall be the sole and exclusive procedure for seeking recourse for any grievance, as defined in Section 2 of this Article.

In that only regular nurses are covered by the Personnel Rules, any dispute which may arise between parties involving the application, meaning, or interpretation of the Personnel Rules shall be settled by the Civil Service Commission in accordance with the appropriate appeal procedure established in the Personnel Rules. All matters are excluded from this procedure which deal with the "County Management Rights" Article; "Temporary Performance of Higher Level Duties" Article; federal or state statutes, rules or regulations except if included as an Article of this Agreement; or are preempted by County Charter.

There shall be no multiple appeals to different adjudicatory bodies over the same case/same set of circumstances.

If any of the provisions of the Personnel Rules are in conflict with the provisions of this Agreement, this Agreement shall be controlling.

Any grievance will be terminated once an EEO complaint is filed on the issue being grieved.

Section 5 – Representation

Aggrieved employee(s) may represent themselves, or may be represented by an authorized CNA employee representative, and/or by a CNA Labor Representative. This representation may commence at any step in the Grievance Procedure. A representative of Human Resources may be in attendance at any step in the Grievance Procedure. The County agrees within reasonable limits to compensate the aggrieved employee(s) for time spent during regularly scheduled hours in the handling of real and prospective grievances.

Section 6 – Consolidation of Grievances

In order to avoid the necessity of processing numerous grievances at one time, grievances over the same case/set of circumstances shall be consolidated whenever possible.

Section 7 – Time Limitations and Notification

Time limitations are established to settle a grievance quickly. Time limits may be modified only by agreement of the parties in writing. If at any step of this Grievance Procedure, the grievant is dissatisfied with the decision rendered, it shall be the grievant(s) or CNA on behalf of the grievant(s) responsibility to initiate the action which submits the grievance to the next level of review within the time limits specified. Failure to submit or appeal the grievance within the time limits imposed shall terminate the grievance process and the matter shall be considered resolved. For purposes of this Grievance Procedure, notification to a party may be given either personally, by U.S. mail, telephonically, or via E-mail.

The grievance shall automatically proceed to the next step if a reviewing official does not respond within the time limits specified except at Step 2. A grievance may be entertained or advanced to any step beyond Step 2, Employee Relations Division, if the parties jointly so agree in writing.

When notice is mailed to an employee, it shall be sent to the employee's current address of record. For the purpose of this procedure, notice by mail shall be deemed to have been completed on the fifth calendar day following deposit of notice with the United States Postal Service, unless the party can establish that notice was not actually received as a result of circumstances beyond the party's control. All written responses by the County shall be addressed

to the Association with a copy to the grievant.

Section 8 – Steps in the Grievance Procedure

The procedures outlined herein constitute the mandatory steps necessary to resolve grievances.

Step 1 – Immediate Supervisor. Initially the employee having a grievance shall on a personal face-to-face basis discuss the complaint with the immediate supervisor. At this step, it is the responsibility of the employee to inform the supervisor that he/she is initiating the grievance process. The attempt of settlement of a grievance filed by an employee, group of employees or by CNA on behalf of an individual employee or group of employees is required at Step 1 prior to the filing of a formal written grievance. The grievance must be initiated at Step 1 within fifteen (15) working days after any grievant is aware, or reasonably should have become aware, of the conditions precipitating the grievance. Within three (3) working days the immediate supervisor shall give the decision to the employee orally.

Step 2

- (a) Employee Relations Division/Division Level – If a mutually acceptable solution has not been reached in Step 1, the grievant shall submit the grievance in writing on appropriate forms which shall provide a detailed statement of the grievance, including dates, names, and places, applicable Agreement articles, and the specific remedy or action requested. The written grievance shall be filed in triplicate with the Employee Relations Division within ten (10) working days of oral notification of the immediate supervisor's decision. The Employee Relations Division shall make a determination of whether the grievance is a matter for which the Grievance Procedure is appropriate after consultation with CNA. In making such determination, the Employee Relations Division shall determine if: (1) the grievance has been filed in a timely manner; (2) the initial step has been followed; (3) if the grievance alleges that a specific Memorandum of Understanding article(s) has been misapplied or violated; and (4) the matter complained of in the grievance is covered by a specific provision of the Agreement. The determination and notification to the grievant and CNA will generally be made within five (5) working days of receipt of the grievance. Any affected party may appeal this determination directly to an arbitrator in accordance with the provisions of this procedure within five (5) working days following notification by the Employee Relations Division to determine the grievability/arbitrability of the grievance.
- (b) Division Level – If the grievance is determined to be grievable, the Division/Section Head shall meet with the grievant and/or representative to thoroughly discuss the grievance. The Division/Section Head shall submit a written response to the grievant within five (5) working days of the meeting with the grievant.

Step 3 – Employee Relations Division. If a mutually acceptable solution has not been reached, the grievant shall submit the written grievance to the Employee Relations Division within five (5) working days of the receipt of written response of the Division/Section Head. The Director of Human Resources or designee shall meet with the grievant and/or representative to discuss the grievance.

Following a review of the grievance with the appointing authority, the Director of Human Resources or designee shall have full and final authority on behalf of the County to mutually resolve the grievance with the employee/employee's representative within ten (10) working days of the meeting with the grievant. Such notification shall be rendered in writing to the grievant, CNA and the appointing authority.

HOURS OF WORK

Nurses Unit

Employees shall be required to work during such hours as necessary to carry out the duties of their position, as designated by the appointing authority, and such hours may be varied so long as the work requirements and efficient operations of the County are assured.

Notwithstanding any other provisions of this Agreement, the County Administrative Officer may authorize overtime compensation at straight time or time and one-half rates at any time (including retroactively for emergencies as defined in Section 13.022(h) of the County Code) to be paid to any employee in order to carry out the intent of a Board-approved program, to respond to an emergency, or to compensate for hours of work performed above that normally expected of such employee.

Employees in regular positions in this Unit are considered to be salaried for purposes of the Fair Labor Standards Act (FLSA). If, as a result of changes in legislation, federal regulations, or court decisions, employees are considered to be non-salaried, the County and CNA will meet and confer concerning changes to return the employees to salaried status.

Deductions from the pay of employees in this Unit for disciplinary and other reasons shall be made in a manner consistent with FLSA regulations. For example, employees covered by this Article who are disciplined by a suspension without pay shall only receive such suspension in increments of one (1) or more full days. Alternatively, an appointing authority may discipline an employee covered by this Article via a deduction of accrued leave time. The accrued leave time is limited to vacation, holiday, annual or administrative leave. Deductions of accrued leave time may be made in increments of less than one (1) work week. Any disciplinary action imposed under this Article is subject to appeal under the Personnel Rules of San Bernardino County. Employees shall not be disciplined by a reduction in step.

Nurses who regularly work twelve (12) hour shifts at ARMC may be eligible to work seventy-two (72) hours per pay period as staffing permits, by seniority, by unit and shift. Employees who are authorized to work a seventy-two (72) hour schedule will accrue benefits on a pro-rated basis as provided for in the Agreement. Requests for 12-hour work schedules shall not be arbitrarily denied.

Consecutive Days – Nurses working eight (8) and nine (9) hour shifts shall not be required to work more than five (5) consecutive days. Ten (10) hour nurses shall not be required to work more than four (4) consecutive days. Twelve (12) hour nurses shall not be required to work more than three (3) consecutive days. Nurses shall not be required to work consecutive days in excess of those stated above except as indicated in the Overtime Article.

Per Diem Nurses Unit

Employees covered under this agreement are in the unclassified service and are utilized to supplement the regular nursing staff. Employees shall be required to work during such hours as necessary to carry out the duties of their position, as designated by the appointing authority, and such hours may be varied so long as the work requirements and efficient operations of the County are assured.

Notwithstanding any other provisions of this Agreement, the County Administrative Officer may authorize overtime (including retroactively for emergencies as defined in Section 13.022(h) of the County Code), compensated as per the "Overtime" article in this Agreement, to be paid to any employee in order to carry out the intent of a Board-approved program, to respond to an emergency, or to compensate for hours of work performed above that normally expected of such employee.

IMPLEMENTATION

Nurses Unit and Per Diem Nurses Unit

Any changes to this Agreement, which do not have specific effective dates, become effective on the date of Board of Supervisors' approval.

Subsequent changes to compensation during the term of this Agreement will be implemented consistent with the parties' bargaining obligations pursuant to the Meyers-Milias-Brown Act.

JOB POSTING AND FILLING OF VACANCIES

Nurses Unit and Per Diem Nurses Unit

- (a) Whenever vacancies within the bargaining Unit are to be filled, the County Department that has the vacancy shall post a notice for at least seven (7) calendar days. The job posting will be at appropriate locations within the County Department. Such notice shall identify the unit and shift of the opening.
- (b) When filling bargaining Unit positions, the County will consider applicant qualifications, which shall include seniority, competency, skills, experience, education, certifications, credentials and work history (e.g. attendance, performance, discipline, etc.). Nothing herein shall preclude the County from using an interview process.
- (c) The Department will fill the vacancy with the most qualified applicant, the decision of which shall not be arbitrary and capricious.
- (d) If two or more of the most qualified applicants are equally qualified, in the judgment of the Department, vacancies shall be filled in the following order:
 - (1) The registered nurse(s) with the most seniority in the unit where the vacancies exist
 - (2) The registered nurse(s) with the most Department seniority
 - (3) Registered nurse(s) in the County with the most seniority
 - (4) An external applicant
- (e) The Department may fill a vacant position on a temporary basis not to exceed six (6) months unless extended.
- (f) A task force composed of four (4) nurses selected by CNA and four (4) managers selected by management will be formed to review posting and awards to determine if such appointments were arbitrary. This task force will meet quarterly for six (6) months and will report the findings and recommend changes to CNA and management.
- (g) For purposes of this article only, seniority for employees in this unit will be defined as hours worked without a separation from County service. Hours worked as a regular and per diem nurse will be counted as one (1) hour for one (1) hour. For example, a per diem nurse that has worked 2,080 hours for the County without a separation from County service will be considered to have 2,080 hours of seniority for purposes of this article.

JOB SHARING AND PART-TIME EMPLOYMENT

Nurses Unit

At the discretion of the appointing authority, an employee may be allowed to job share or to work on a part-time basis in a regular position. Job share is defined as two employees sharing one regular position. Part-time employment is defined as an employee working in a regular position that is scheduled for less than eighty (80) hours per pay period.

All fringe benefits for job sharing and part-time employees shall be pro-rated based on regularly scheduled hours except as may otherwise be provided in a specific article.. For example, a nurse who is regularly scheduled twenty (20) hours per week is eligible for a maximum donation of five hundred and twenty (520) hours of Medical Emergency Leave.

An appointing authority may discontinue part-time or job share status with a written notice at least two (2) pay periods prior to the effective date of the change.

LEAVE PROVISIONS

Nurses Unit (unless otherwise expressly provided).

Section 1 – Sick Leave

(a) Definitions

- (1) Sick Leave – Sick leave with pay is an insurance or protection provided by the County to be granted in circumstances of adversity to promote the health of the individual employee. It is not an earned right to time off from work. Sick leave is defined to mean the authorized absence from duty of an employee because of physical or mental illness, injury, pregnancy, confirmed exposure to a serious contagious disease, for a medical, optical, or dental appointment, or other purpose authorized herein.
- (2) Immediate Family – Immediate family is defined as parent, child, spouse, or domestic partner as defined by California Family Code Section 297.
- (3) Extended Family – Extended family is defined as grandchild, grandparent, sibling, parent/sibling-in-law, aunt, uncle, niece, nephew, foster child, ward of the court, or any step relations as defined herein.

- (b) Accumulation – Employees in regular positions shall accrue sick leave for each payroll period completed, prorated on the basis of 3.39 hours per pay period, except as provided in Section 5 of this Article. Earned sick leave shall be available for use the first day following the payroll period in which it is earned. Employees in regular positions paid less than eighty (80) hours per pay period or job-shared positions shall receive sick leave accumulation on a pro-rata basis. There shall be no limit on sick leave accumulation.

- (c) Compensation – Approved sick leave with pay shall be compensated at the employee's base rate of pay, except as otherwise provided in this Agreement. The minimum charge against accumulated sick leave shall be fifteen (15) minutes.

(d) Administration

- (1) Investigation – It shall be the responsibility and duty of each appointing authority to investigate each request for sick leave and to allow sick leave with pay where the application is determined to be proper and fitting, subject to approval of the Director of Human Resources or appointing authority (or their designees).
- (2) Notice of Sickness – In twenty-four (24) hour departments and for employees whose work assignment requires leaving their assigned work site together with one or more other employees shortly after reporting to work (e.g., clinic staff), the appointing authority or designee should be notified at least two (2) hours prior to the start of the employee's scheduled tour of duty of a sickness on the first day of absence and must be notified at least one (1) hour prior to the start of the employee's scheduled tour of duty. In other departments, the appointing authority or designee must be notified within one-half (1/2) hour after the start of the employee's scheduled tour of duty of a sickness on the first day of absence.

It is the responsibility of the employee to keep the appointing authority informed as to continued absence beyond the first day for reasons due to sickness or occupational disability. Failure to make such notification shall result in denial of sick leave with pay. If the employee receives a doctor's off-work order and provides notice of same to the appointing authority, the employee is not required to contact the department daily. If the employee does not have an off-work order or has not notified the appointing authority that one has been issued, the employee shall be required to contact the department daily in accordance with the timeframe above.

- (3) Review – The Director of Human Resources or appointing authority (or their designees) may

review and determine the justification of any request for sick leave with pay and may, in the interest of the County, require a medical report by a doctor to support a claim for sick leave pay.

- (4) Proof – A doctor's certificate or other adequate proof shall be provided by the employee in all cases of absence due to illness when requested by the appointing authority.
- (5) Improper Use – Evidence substantiating the use of sick leave for willful injury, gross negligence, intemperance, trivial indispositions, instances of misrepresentation, or violation of the rules defined herein will result in denial of sick leave with pay and shall be construed as grounds for disciplinary action including termination.

(e) Sick Leave for Other than Personal Illness/Injury

- (1) Family Sick Leave – A maximum of one-half (1/2) of the employee's annual accrual of earned sick leave per calendar year may be used for attendance upon the members of the employee's immediate family who require the attention of the employee.

Upon approval of the appointing authority, the employee may use part of this annual allowance for attendance upon members of the employee's extended family residing in the employee's household who require the attention of the employee.

- (2) Bereavement – A maximum of three (3) days earned sick leave may be used per occurrence for bereavement due to the death of persons in the immediate or extended family, as defined herein, or any relative who resided with the employee.
- (3) Birth/Adoption – A maximum of forty (40) hours earned sick leave may be used per occurrence for arrival of an adoptive child at the employee's home. An employee (father) may utilize on an annual basis no more than forty (40) hours of accumulated sick leave per calendar year for the birth of his child.
- (4) Medical, Optical or Dental Appointments – The employee may use sick leave for medical, dental or optical appointments; however, every effort should be made to schedule the appointments at a time of day that will minimize the employee's time off work.

(f) Return-to-Work Medical Clearance

- (1) Under the following circumstances, all employees who have been off work due to an illness or injury will report to the San Bernardino County Center for Employee Health and Wellness for a medical evaluation of their condition and authorization to return to work before returning to work.
 - (i) Employees whose treating physician or other qualified medical provider has ordered job modification(s) as a condition for either continuing to work or for returning to work after an illness or injury. This applies to both occupational and non-occupational illness or injury.
 - (ii) Employees who have been off work due to communicable diseases such as, but not limited to, chicken pox and measles.
 - (iii) Employees who have been absent on account of a serious medical condition, when so directed by their appointing authority, and with concurrence of the San Bernardino County Center for Employee Health and Wellness.
- (2) Employees are required to attend return-to-work medical appointments at the Center for Employee Health and Wellness on their own time; however, mileage for attending such appointments are eligible for reimbursement pursuant to the Expense Reimbursement Article.
- (3) It is the responsibility of the employee, covered by (1) (i) - (iii) above, to obtain written

notice from their medical provider of their authorization to return to work with or without job modification. To ensure all necessary and relevant medical information is provided, the County shall make available forms to be completed by the medical provider. It is the responsibility of the employee to provide verbal notice to their appointing authority immediately upon receipt of their medical provider's authorization to return to work, and no later than 24 hours after receipt of the notice. The appointing authority or designee will schedule an appropriate medical evaluation for the employee with the Center for Employee Health and Wellness prior to the employee's return to work. The employee shall provide their medical provider's written notice of authorization to return to work to the Center for Employee Health and Wellness at or prior to the employee's scheduled appointment time.

- (4) Exceptions to the above requirements may be made on a case-by-case basis by the Medical Director or designee for the Center for Employee Health and Wellness.
- (5) The employee is obligated to attend the appointment as scheduled under the conditions outlined above. If the employee fails to adhere to the procedure, the employee is required to use sick leave or leave without pay for any work hours missed. If the employee has provided two (2) full business days advance notice to their appointing authority or designee of a medical appointment that may result in the employee's release to work and there is a delay between the employee's appointment with the Center for Employee Health and Wellness and the start of his/her scheduled tour of duty on the day that he/she was released to return to work, the County will pay for work hours missed, without charge to the employee's leave balances.
- (6) The final decision on the employee's ability to return to work rests with the medical provider at the Center for Employee Health and Wellness. In the event the employee is not released to return to work by the medical provider at the Center for Employee Health and Wellness, the employee's status would continue on sick leave or, where there is no balance, leave without pay.

(g) Workers' Compensation

Employees shall receive full salary in lieu of Workers' Compensation benefits and paid sick leave for the first forty (40) hours following an occupational injury or illness, if authorized off work by order of an accepted physician under the Workers' Compensation sections of the California Labor Code. Thereafter, accumulated paid leave may be prorated to supplement such temporary disability compensation payments, provided that the total amount shall not exceed the regular gross salary of the employee.

- (h) Separation – Unused sick leave shall not be payable upon separation of the employee, except as provided in paragraph (i).

Employees who receive a disability retirement due to permanent incapacity to work shall be entitled to one hundred percent (100%) cash payment of any unused sick leave balances, computed at their then current base hourly rate, if they elect an early retirement in lieu of exhausting such accrued sick leave balances. In no event shall any employee, except those receiving a disability retirement, receive compensation under this Section in excess of five hundred (500) hours pay computed at the then current base hourly rate of said employee.

- (i) Perfect Attendance – Regular full-time employees who do not utilize any sick leave in a calendar year (i.e., pay period 1 through pay period 26 or 27, when applicable, of the same year), and who do not record any sick leave without pay or absent without pay during that year, shall receive a one (1) year's paid membership in a Human Resources approved health facility or utilization of perfect attendance leave. The paid health facility membership shall not exceed the cost of a one (1) year paid membership at the San Bernardino YMCA. In lieu of a Human Resources approved health facility membership, the employee has the option of utilizing sixteen (16) hours of perfect attendance leave, no cash-out provision, within the time frame of the subsequent calendar year. Failure to utilize perfect attendance leave within the subsequent calendar year shall result in forfeiture of the same.

- (j) Sick Leave Conversion Option – Employees who have used less than forty (40) hours of sick leave in a fiscal year (i.e., pay period 15 through pay period 14 of the following year) may, at the employee's option, convert sick leave to vacation leave by the following formula: Hours of sick leave used are subtracted from forty (40). Sixty percent (60%) of the remainder, or a portion thereof, may be added to vacation leave to be utilized in the same manner as other accrued vacation leave.

<u>Sick Leave Hours Used</u>	<u>Hours to be Converted</u>	<u>Vacation</u>
0	40	24.0
8	32	19.2
16	24	14.4
24	16	9.6
32	8	4.8
40	0	0.0

Section 2 – Bereavement Leave

Employees in regular positions may use up to two (2) days paid leave, not charged to the employee's personal leave balances, per occurrence for bereavement due to the death of the employee's parent, child, spouse or domestic partner, as defined by California Family Code Section 297.

Section 3 – Vacation Leave

Definition – Vacation is a right, earned as a condition of employment, to a leave of absence with pay for the recreation and well-being of the employee. If an employee has exhausted sick leave, vacation leave may be used for sick leave purposes upon a special request of the employee and with the approval of the appointing authority.

Accumulation – Nurses in regular positions shall accrue, on a pro-rata basis, vacation leave for completed pay periods. Except as provided in Section 5 of this Article, nurses in regular positions paid less than eighty (80) hours per pay period or job-shared positions shall receive vacation leave accumulation on a pro-rata basis; provided, however, that there shall be no prorating of the maximum accumulations.

For nurses, such vacation allowance shall be available for use on the first day following the pay period in which it is earned, provided an employee has completed 1,600 hours of continuous service from the employee's hire date.

<u>Length of Service From Hire Date</u>	<u>Annual Vacation Allowance</u>	<u>Maximum Allowed Unused Balance</u>
After 1,600 and through 8,320 service hours	80 hours	160 hours
Over 8,320 and through 18,720 service hours	120 hours	240 hours
Over 18,720 service hours	160 hours	320 hours

Administration

- (1) Scheduling – Vacation periods should be taken annually, with the approval of the appointing authority, at such time as will not impair the work schedule or efficiency of the department but with consideration given to the well being of the employee. Approval for vacation requests shall not be unreasonably denied. No employee shall lose earned vacation leave time because of work urgency. If an employee has reached the maximum allowed unused balance and is unable to take vacation leave because of work urgency, the appointing authority will notify the Auditor/Controller of the situation and approve a waiver of the maximum allowed unused balance for a period not to exceed one (1) thirteen (13) pay period waiver per calendar year.

Written request for vacation leave shall receive a written response from the appointing authority within two (2) weeks of submission. In instances where a vacation leave request has received written, advance approval and is rescinded due to work urgency by the supervisor, that decision may be appealed to the Department Head/Group Administrator for an immediate review. In those instances where the direct supervisor is the Department Head/Group Administrator, the rescission due to work urgency may be appealed to the Director of Human Resources for immediate review. In those instances where a financial hardship would occur because pre-approval resulted in prepayment by the employee, a vacation would only be canceled under the most extreme work emergency.

- (2) Minimum Charge – The minimum charge against accumulated vacation leave shall be fifteen (15) minutes. Vacation leave shall be compensated at the employee's base rate of pay, except as otherwise provided in this Agreement.
- (3) Holiday During Vacation – When a fixed holiday falls within a vacation period, the holiday time shall not be charged against an employee's earned vacation benefits.
- (4) Vacation Leave and Termination Date – Nurses not planning to return to County employment at the expiration of a vacation leave, except those retiring, shall be compensated in a lump sum payment for accrued vacation and shall not be carried on the payroll. Retiring nurses may elect to use vacation leave to enhance retirement benefits or to be compensated in a lump sum payment for accrued vacation leave, provided that each pay period the employee charges the number of hours in their regular scheduled tour of duty.

Prior Service – Nurses in regular positions who have been employed in a public jurisdiction in a comparable position may receive credit for up to four (4) years (full time equivalent) previous experience in the former agency(s) in determining their vacation accrual rate. Such determination as to the comparability of previous experience and amount of credit to be granted rests solely with the Director of Human Resources.

Section 4 – Holiday Leave

- (a) Fixed Holidays – All employees in regular positions shall be entitled to the following holidays:

January 1st	November 11th
Third Monday in January	Thanksgiving Day
Third Monday in February	Day after Thanksgiving
Last Monday in May	December 24th
July 4th	December 25th
First Monday in September	December 31st
Second Monday in October	

- (b) Floating Holidays – Employees in regular positions shall be entitled to accrue one floating holiday (eight (8) hours holiday time) during the first pay period prior to the third Monday in January, provided that the employee is not on unpaid leave for the entire pay period and is in a paid status on the payroll.

Floating holidays accrued shall be available for use on the first day following the pay period in which they are accrued, with the approval of the appointing authority. Appointing authorities have the right to schedule employees' time off for accrued holidays to meet the needs of the service but with consideration given to the well-being of the employee. Employees in regular positions budgeted less than eighty (80) hours per pay period or job-shared positions shall receive floating holiday accruals on a pro-rata basis.

- (c) Eligibility for Holiday Pay – Except as provided in Section 5 of this Article, to receive holiday pay for a fixed holiday, the following conditions must be met during the pay period in which the fixed holiday fell.

- (1) The employee must have been hired prior to or at the start of the pay period and not have separated prior to the end of the pay period in which such fixed holiday fell.
- (2) The employee must be paid for at least one-half (1/2) of their regularly scheduled hours.
- (3) The employee must have been on an approved leave of absence for any unpaid hours.
- (4) The employee must have not had any unauthorized leave.

- (d) Holiday During Vacation or Other Period of Paid Leave – When a fixed holiday falls within a vacation period or other period of paid leave, the holiday time shall not be charged against an employee's earned vacation benefits or other paid leave. In no instance shall an employee be permitted to use vacation, sick leave or other paid leave time on a fixed holiday that the employee is not scheduled to work in order to accrue the holiday leave.

- (e) Working on a Holiday – Whenever an employee is required to work on a fixed holiday or the fixed holiday falls on an employee's regularly scheduled day off, the employee shall accrue, on an hour-for-hour basis, up to a total of eight (8) hours floating holiday time. At the request of the employee, and with approval of the appointing authority, straight time payment can be made in lieu of accrual provided such compensation is approved during the pay period in which it is worked.

- (f) Weekend Holidays – When a fixed holiday falls on a Saturday, the previous Friday will be observed as the fixed holiday except that when the preceding Friday is also a fixed holiday, the preceding Thursday will be observed as the fixed holiday. When a fixed holiday falls on a Sunday, the following Monday will be observed as the fixed holiday except that when the following Monday is also a fixed holiday, the following Tuesday will be observed as the fixed holiday.

For those County department operations which operate six (6) and seven (7) days per week facilities, fixed holidays which fall on either a Saturday or Sunday shall be observed on those days by employees of those operations scheduled to work.

- (g) Holiday Time Accrual – Upon retirement or termination, employees shall be compensated for any unused accrued holiday time at the then current base rate equivalency unless the employee's position was abolished as a result of a layoff.

- (h) Per Diem Nurses Holiday Pay – All employees covered in this unit shall be paid twice the base hourly rate for hours worked on the following holidays:

January 1st	Thanksgiving Day
Last Monday in May	Day after Thanksgiving
July 4th	December 24th
First Monday in September	December 25th
November 11th	December 31st

Holiday Hours for the purposes of these holidays will begin with the night shift the day before the holiday and end with the evening shift of the day of the holiday. Time worked on these holidays shall be considered as hours worked for the purposes of computing overtime.

Section 5 – Leave Accruals While on Disability Leave

Nurses receiving the benefits of workers' compensation or short-term disability insurance leave receive partial replacement of their income through these benefits. Nurses on these types of disability leaves may choose to fully integrate, partially integrate, or not integrate personal leave time with these disability payments.

The maximum amount the employee receives from integrating leave time with disability payments shall not exceed 100% of the employee's base salary. Paid personal leave time coded on the nurses' Time and Labor Report will be limited to the amount of leave necessary to integrate benefits to the level designated by the employee. When the exact amount is not known, a good faith estimate may be made and the amount will be adjusted later as necessary. If any overpayments are made, the employee will be required to repay that amount in accordance with the Payroll Adjustments Article. A nurse who knowingly receives payment in excess of their regular base salary is required to report it to their Departmental payroll clerk.

Nurses who are fully integrating accrued leave time with disability benefits and have at least forty-one (41) hours of any type of leave time accrued as of the prior pay period shall be eligible to receive full accruals of vacation and sick leave. Nurses who are not fully integrating or nurses who have less than forty-one (41) hours of any type of leave time accrued shall earn prorated vacation and sick leave accruals based upon paid leave time coded on the Time and Labor Report only.

Nurses who are fully integrating paid leave time with disability benefit(s) will be eligible for fixed holiday pay provided that they are on the payroll for the entire pay period, have no unapproved leave for the pay period and have enough leave accrued to equal at least one-half (1/2) of the employee's normal scheduled hours. Nurses who are partially integrating or not integrating paid leave time with disability benefits will be paid for holidays in accordance with the holiday leave provisions in Section 4 of this Article.

Section 6 – Military Leave

As provided in the California Military and Veterans Code Section 395 et seq., and any amendment thereto, and the federal Uniformed Services Employment and Reemployment Rights Act of 1994, a County employee, regular, extra-help, per diem, or recurrent may be entitled to the following rights concerning military leave:

- (a) Definition – Military leave is defined as the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority and includes active duty, active duty for training, initial active duty for training (weekend drills), full-time National Guard duty, and a period for which an employee is absent for the purpose of an examination to determine the fitness of the person to perform any such duty.
- (b) Notice and Orders – All employees shall provide advance notice of military service unless military necessity prevents the giving of notice or the giving of notice is impossible or unreasonable. Where available, copy of military orders must accompany the request for leave.

- (c) Temporary Active Duty – Any employee who is a member of the reserve corps of the Armed Forces, National Guard, or Naval Militia shall be entitled to temporary military leave of absence for the purpose of active military training provided that the period of ordered duty does not exceed one hundred eighty (180) calendar days, including time involved in going to and returning from such duty. While on paid status, an employee on temporary military leave shall receive the same vacation, holiday, and sick leave, step advances and benefits that would have been enjoyed had the employee not been absent, providing such employee has been employed by the County for at least one (1) year immediately prior to the date such leave begins. In determining the one (1) year employment requirement, all time spent in recognized military service, active or temporary, shall be counted. An exception to the above is that an uncompleted probationary period must be completed upon return to the job. Any employee meeting the above one (1) year employment requirement shall be entitled to receive their regular salary or compensation, pursuant to Section (e) of this Article.
- (d) Full-Time Active Duty – Employees who resign from their positions to serve in the Armed Forces for more than one hundred eighty (180) days, shall have a right to return to their former classification upon serving written notice to the appointing authority, no later than ninety (90) days after completion of such service. Returning employees are subject to a physical/psychological examination.

Should such employee's former classification have been abolished, then the employee shall be entitled to a classification of comparable functions, duties, and compensation if such classification exists, or to a comparable vacant position for which the employee is qualified.

The right to return to former classification shall include the right to be restored to such civil service status as the employee would have if the employee had not so resigned; and no other person shall acquire civil service status in the same position so as to deprive such employee of this right to restoration.

Eligible employees are also entitled to the reemployment and benefit rights as further described in the Uniformed Services and Employment and Reemployment Rights Act, 38 U.S.C. Sections 4301-4333. Specifically, a returning employee will receive restoration of hire date, salary step, vacation accrual rate, sick leave balance (unless the employee has received payment for unused sick leave in accordance with provisions contained herein), the retirement plan contribution rate and retirement system contributions (provided the employee complies with any requirements established by the Retirement Board). However, such employee will not have accrued vacation, sick leave, or other benefit while absent from County employment, except as provided in the temporary duty provision.

- (e) Compensation – This provision does not include an employee's attendance for inactive duty, commonly referred to as weekend reserve meetings or drills. Employees must use their own time to attend such meetings. Should the meetings unavoidably conflict with an employee's regular working hours, the employee is required to use vacation or holiday leave, leave without pay, or make up the time. Employees who are called in for a medical examination to determine physical fitness for military duty must also use vacation leave, leave without pay, or make up the time. Employees cannot be required to use their accrued leave. Any employee meeting the requirements in (c) or (d) shall be entitled to receive their regular salary or compensation for the first thirty (30) calendar days of any such leave. Pay for such purposes shall not exceed thirty (30) days in any one fiscal year and shall be paid only for the employee's regularly scheduled workdays that fall within the thirty (30) calendar days.
- (f) Extension of Benefits – The County recognizes the increased requirements of the military due to the current threats facing the United States of America. Employees who are called to active duty as a result of the activation of military reservists beginning in September 2001, and are eligible to receive the thirty (30) calendar day military leave compensation shall receive the difference between their base County salary and their military salary starting on the 31st calendar day of military leave. The difference in salary shall continue for the period approved by the Board of Supervisors. During this period, the County will continue to provide the employee the benefits and all leave accruals as was provided prior to such active duty. Retirement contributions and credit will be granted if the employee had enough pay to cover

the entire contribution. If the employee does not get enough pay to cover the retirement contribution, no contribution or credit will be given. If upon return from leave the employee complies with all requirements of the Board of Retirement, then the employee shall also receive the retirement pick-up allowed by the MOU. Employees should note that the Accidental Death and Dismemberment (AD&D) plan contains a war exclusion.

If the employee becomes eligible for full County payment for the first thirty (30) days of military leave provided in (c) of this Article, the extended payments provided under this Section shall be suspended and shall be continued after the 30 days compensation has been completed.

No compensation shall be paid beyond the thirty (30) day leave period, unless such compensation is expressly approved by the Board of Supervisors. The County may unilaterally extend the benefits of this subsection upon the approval of the Board of Supervisors.

(g) Vacation and Military Leave – Employees shall not be permitted to take vacation or other accrued leave in lieu of the military leave provisions provided in Section (c) of the Article. Employees may elect to use accrued leave time, except sick leave, in lieu of the integrated pay in Section (f) of this Article under the following conditions:

- (1) The employee must decline in writing the benefits of Section (f) of this Article prior to the due date of the Time and Labor Report (TLR). The employee must include the dates for which he/she is declining the benefit.
- (2) The employee must use accrued leave time for the entire pay period (i.e., County pay will not be integrated with military pay for partial pay periods).
- (3) Such written declination cannot be revoked or amended at a later date for a pay period for which the TLR has already been submitted.
- (4) Benefits, leave accruals, and pay will be administered per normal procedures for vacation pay; no additional benefits otherwise granted under this Article will be available.

Employees may elect to use accrued leave time, except sick leave, once all paid benefits have been exhausted.

Section 7 – Political Leave

Any employee who is a declared candidate for public office shall have the right to a leave of absence without pay for a reasonable period to campaign for the election. Such leave is subject to the conditions governing special leaves of absence without pay contained herein.

Section 8 – Special Leaves of Absence Without Pay

General Provisions

A special leave of absence without pay for a period not exceeding one (1) year, unless specified otherwise, may be granted to an employee who:

- (1) Is medically incapacitated to perform the duties of the position.
- (2) Desires to engage in a relevant course of study, which will enhance the employee's value to the County.
- (3) Takes a leave of absence pursuant to the federal Family Medical Leave Act, the California Family Rights Act, and/or Pregnancy Disability Leave provision under the Fair Employment and Housing Act (FEHA).
- (4) For any reason considered appropriate by the appointing authority and the Director of Human Resources.

Types of Leaves of Absence

There are four (4) types of leaves of absences. All requests must be in writing and require the approval of the appointing authority or designee and the Director of Human Resources or designee. Upon request, the appointing authority or designee and the Director of Human Resources or designee may grant successive leaves of absence. An employee who separates after a leave of absence shall be cashed out at the rate of pay in effect at the time the employee last received pay (i.e. actually worked or received paid leave). All benefits shall be administered in accordance with the appropriate Article of this Agreement.

(1) Leaves of Absence With Right to Return

Leaves of absence with right to return may be granted to employees in regular positions for a period not exceeding one (1) year. The employee remains in his/her position.

(2) Family Leave

Leaves of absence will be granted in accordance with the federal Family Medical Leave Act (FMLA), the California Family Rights Act (CFRA) and/or Pregnancy Disability Leave (PDL) provision under Fair Employment and Housing Act (FEHA). This leave can be concurrent with use of paid leave or leave of absence without pay with right to return.

An employee on an approved leave of absence without pay under this provision will continue to receive the benefits outlined in the Benefit Plan Article of this Agreement for a period of six (6) pay periods. Certification from a health care provider is required for all instances of medical leave under this provision. Employees are required to inform supervisors of the need for leave at least thirty (30) days before commencement where possible.

In instances where the leave is for the birth or placement of a child and both husband and wife are County employees, both employees are limited to a total of twelve (12) weeks between them.

(3) Leaves of Absence Without Right to Return

(i) Definition – Leaves of absence without right to return may be granted to employees with regular status for a period not exceeding one (1) year. Employees without right to return shall be removed from their position. Retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase medical benefits pursuant to federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

(ii) Return Process – An employee may return to the same department in the classification from which the employee took the leave of absence with the approval of the appointing authority and the Director of Human Resources. Alternatively, the employee may apply through Human Resources by the last day of the leave of absence. The employee will be placed on the eligible list for the classification from which he/she took the leave of absence without examination. Placement on the eligible list will be administered in accordance with the requalification provisions of the Personnel Rules. If the employee does not return to a regular position within ninety (90) calendar days of the expiration of such a leave the employee shall be terminated from County service. If reemployed, the employee shall be required to serve a new probationary period. The Director of Human Resources or designee has the discretion to waive the requirement to serve a new probationary period.

(iii) Benefits Upon Return – An employee who returns to a regular position within ninety (90) days after the expiration of the leave of absence without right to return shall retain hire date for purposes of leave accruals and step advances.

To retain the above benefits, the employee must return to a regular position no later than ninety (90) calendar days after the date of expiration of the leave of absence.

(4) Long-Term Medical Leave of Absence

- (i) Definition – An employee with regular status who suffers from a serious health condition will be placed on a Medical Leave of Absence for up to one (1) year. However, if a nurse meets the years of service requirement for eligibility for a disability retirement, the Long-Term Medical Leave of Absence may be extended. Such Long-Term Medical Leave of Absence will be granted only after FMLA, CFRA and/or PDL and accrued sick leave have been exhausted. The employee is responsible for providing documentation from a qualified health practitioner prior to approval. The County retains the right to request medical documentation regarding the employee's continued incapacity to return to work.

The employee will be removed from his/her position so that the department may fill behind the employee. Retirement contributions shall remain in the system and cannot be requested for distribution until the expiration of the leave. The employee shall be eligible to purchase medical benefits pursuant to the federal Consolidated Omnibus Reconciliation Act of 1985 (COBRA).

Upon the employee's ability to return to work or the expiration of the leave of absence, whichever comes first, the employee will have the right to return to the classification within the department from which he/she took a leave of absence when a funded vacancy for which the employee meets the qualifications is available. If the employee does not return to work by the expiration date of the leave, or the soonest date after that for which the department has a vacancy (but in no event later than ninety (90) days following the expiration of the Medical Leave of Absence), the employee relinquishes the right to return.

- (ii) Upon return from a medical leave of absence, the employee shall retain hire date for purposes of leave accruals and step advances; except that the benefit date will be advanced for the period of time the employee is on the leave of absence.

Section 9 – Jury Duty Leave

Employees in regular positions who are ordered/summoned to serve jury duty including Federal Grand Jury duty shall be entitled to base pay for those hours of absence from work, provided the employee waives fees for service, other than mileage. Such employees will further be required to deliver a "Jury Duty Certification" form at the end of the required jury duty to verify such service. When practicable, the appointing authority will convert an employee's regular tour of duty to a day shift tour of duty during the period of jury duty. However, in no event will a registered nurse be required to go into overtime during jury duty leave, except in emergency situations. Employees required to serve on a jury must report to work before and after jury duty provided there is an opportunity for at least one (1) hour of actual work time. Further, a nurse shall be required to report to work on any day, during the period of jury service, that they are not required to report to jury duty. For example, if an employee is scheduled to work on Friday but is not required to report to jury duty, the employee shall be required to report to work. (NOTE: This is a clarification only and does not change the application of this provision). Employees volunteering to serve on a Grand Jury shall be granted a leave of absence without pay to perform the duties of a member of the Grand Jury, in the same manner as provided in Section 7 of this Article.

Section 10 – Examination Time

Employees having regular status in regular positions at the time of application shall be entitled to a reasonable amount of time off with pay for the purpose of attending all examination processes required for selection to a different County position. Employees are responsible for notifying and obtaining approval from their immediate supervisor prior to taking such leave. Examination time off shall not be charged against any accumulated leave balances and shall be compensated at the employee's base hourly rate. An employee is not entitled to compensation for any

examination process that occurs on a day that the employee is not scheduled to work. (Note: This is a clarification only and does not change the application of this language). Employees having probationary status, including those who have previously held regular status in another classification, are not entitled to examination time off with pay.

Section 11 – Witness Leave

Employees in regular positions shall be entitled to a leave of absence from work when subpoenaed to testify as a witness, such subpoena being properly issued by a court, agency, or commission legally empowered to subpoena witnesses. This benefit shall not apply in any case in which the subpoenaed employee is a party to the action or the subpoena has arisen out of the employee's scope of employment. Witness leave shall not be charged against any accumulated leave balances and shall be compensated at the employee's base hourly rate. This benefit will be paid only if the employee has demanded witness fees at the time of service of the subpoena, and such fees are turned over to the County.

Section 12 – Blood Donations

Employees in regular positions who donate blood without receiving compensation for such donation, may have up to two (2) hours off to recover with pay, as necessary, provided the employee has received prior approval of the immediate supervisor to make the donation. This benefit shall not be charged to any accumulated leave; provided, however, if the employee is unable to work, any time in excess of two (2) hours may be charged to accumulated sick leave or be taken as leave without pay. Evidence of each donation must be presented to the appointing authority to receive this benefit.

Employees in regular positions who are apheresis donors may have up to four (4) hours off to recover with pay, as necessary, with prior approval of the immediate supervisor for each such donation, provided no compensation is received for such donation. This benefit shall not be charged to any accumulated leave; provided, however, if the employee is unable to work any time in excess of four (4) hours may be charged to accumulated sick leave or be taken as leave without pay. Evidence of each apheresis donation must be presented to the appointing authority to receive this benefit.

Section 13 – Time Off for Voting

- (a) If an employee does not have sufficient time outside of working hours to vote at a statewide election, the employee may, without loss of pay, take off enough working time that, when added to the voting time available outside of working hours, will enable the employee to vote.
- (b) No more than two (2) hours of the time taken off for voting shall be without loss of pay. The time off for voting shall be only at the beginning or end of the regular working shift, whichever allows the most free time for voting and the least time off from the regular working shift, unless otherwise mutually agreed.
- (c) If the employee on the third working day prior to the day of election knows or has reason to believe that time off will be necessary to be able to vote on Election Day, the employee shall give the employer at least two (2) working days' notice that time off for voting is desired, in accordance with this section.

Section 14 – Education

Each regular full-time nurse with one (1) or more years of service shall be entitled to twenty-four (24) hours of leave with pay upon approval each calendar year to attend Board of Registered Nursing approved continuing education courses, workshops, or classes. Written requests for such leave must be submitted thirty (30) calendar days in advance before the leave is to be taken.

There shall be no carryover of education leave. Mandatory classes required by the County shall not count against this leave and the County will pay the cost of the class and the registered nurse shall be paid his/her base rate and this time shall be counted as time worked.

Section 15 – Leave of Absence for Association Business

(a) Extended

- (1) Upon at least thirty (30) calendar days advance written request from CNA and the nurse, one (1) Association-represented nurse per County department per year shall be granted an extended leave of absence without pay to engage in Association business. The duration of the extended leave of absence shall be specified at the time the nurse commences the leave, and no such leave shall be granted unless the written request specifies the duration of the leave. Such leaves of absence shall be for a period of not less than three (3) months. In no situation shall the leave of absence be granted for a period of more than three (3) years.
- (2) During the leave of absence the nurse shall be in a “without pay and without benefits” status. During the term of the leave of absence, the County shall in no way be obligated to provide pay or benefits for the nurse. The granting of such leave is dependent on the patient care needs of the County; however, such request for leave shall not be unreasonably denied.
- (3) Under no circumstance shall the County be required to return such nurse to active employment status with the County prior to the completion of the stated duration of the extended leave of absence. At least forty-five (45) calendar days prior to the completion of the stated term of the leave of absence, the Association shall notify the County of the nurse's intent to return to the County's employ and the nurse shall likewise so advise the County. Upon return, the nurse shall be returned to the same or similar position from which the nurse took the leave of absence, consistent with staffing reductions and/or layoffs which may have occurred during the period of the leave of absence without pay. The nurse shall be returned at the same step on the associated pay range without loss of seniority.

(b) Short-Term

Upon at least thirty (30) calendar days advance written request from CNA and the nurse, no more than five (5) nurses in the bargaining Unit may be granted a leave of absence without pay of less than three (3) months no more than two (2) times per year to engage in Association business. Of the five (5), no more than three (3) shall be from ARMC and no more than one (1) from Corrections or any other department. The duration of the extended leave of absence shall be specified at the time the nurse commences the leave, and no such leave shall be granted unless the written request specifies the duration of the leave. The granting of such leave is dependent on the patient care needs of the County; however, such requests for leave shall not be unreasonably denied.

LIFE INSURANCE

Nurses Unit

- (a) The County agrees to pay the premium for a term life insurance policy for each employee based on scheduled work hours according to the table below. Life insurance will become effective on the first day of the pay period following the employee's first pay period in which the employee is paid for one half plus one of their scheduled hours. For example, an employee scheduled for eighty (80) hours must be paid for a minimum of forty-one (41) hours.

Bargaining Unit	Amount of Life Insurance	
	Scheduled Hours from 40 to 60	Scheduled Hours from 61 to 80
Nurses	\$12,000	\$25,000

- (b) The County further agrees to make available to each employee a group term life insurance program wherein the employee may purchase, through payroll deductions, term life insurance in \$10,000 increment amounts to a maximum benefit of \$700,000. New employees shall become eligible to participate in these programs on the start of the pay period following completion of 1,040 hours of satisfactory performance.
- (c) The County agrees to provide these benefits subject to carrier requirements. Selection of the insurance provider(s) and the method of computing premiums shall be within the sole discretion of the County. Note: All persons eligible for the insurance programs will be covered for the insurance on the date the insurance becomes effective, or in the case where the employee is absent on the date the insurance becomes effective because of illness, the insurance will commence on the date of return to work.

LOW CENSUS TIME OFF

Nurses Unit and Per Diem Nurses Unit

At the sole discretion of the County, regular nurses may be relieved from duty without pay at any time it is determined that the patient census is such that their services are not immediately necessary. No regular nurse will be called off or cancelled from her or his regularly assigned shift during the term of this Agreement if staffing ratios are not being satisfied.

- A. Before regular nurses are relieved from duty, and on a unit-by-unit (or if appropriate, specialty) basis, the following must first occur:
1. Any registry employee working in the unit will be relieved from duty.
 2. If deemed appropriate by Management, employees in the affected unit covered by this Agreement may then be assigned to "float" into other units.
 3. Employees in the Nurses and Per Diem Nurses unit covered by this Agreement working a non-regularly scheduled shift may then be relieved from duty.
 4. Employees in the unit covered by this Agreement working their regularly scheduled shift will then be polled to determine whether or not any of them wish to volunteer for relief from duty.
 5. Any extra-help, intermittent, or "Per Diem" employee working in the unit will be relieved from duty.
 6. The order of call off may be altered to retain a nurse whose skills and competencies are required for safe patient care.
- B. A regular nurse shall not be called off more than one shift per pay period, but may volunteer for call off more than one shift per pay period at the County's request.
- C. A regular nurse or per diem nurse who is not notified at least two hours prior to the beginning of a scheduled shift and who reports for work, will be worked and paid a minimum of four (4) hours. This minimum guarantee shall not apply if the County has contacted the nurse by telephone at least two hours prior to the beginning of the shift.
- D. A regular nurse who is called off or who volunteers for call off at the County's request and who chooses not to use paid vacation or holiday leave or accrued compensatory time off, shall have called off hours treated as Voluntary Time Off (VTO) consistent with the Voluntary Time off article.

MEAL AND REST PERIODS

Nurses Unit and Per Diem Nurses Unit

Meal periods are unpaid and nonworking time and shall not be less than one-half (1/2) hour, or greater than one (1) hour when scheduled. Every effort will be made to schedule such meal period during the middle of the shift when possible. If a regularly scheduled tour of duty does not include a duty-free meal period, appointing authorities shall allow nurses a maximum of twenty (20) minutes per shift to eat a meal. Such time shall be considered work time.

Nurses shall be entitled to rest periods in accordance with the schedule contained herein. Rest periods shall be scheduled in accordance with the requirements of the department, but in no instance shall rest periods be scheduled within one (1) hour of the beginning or ending of a tour of duty or meal period, nor shall such time be cumulative or used to report to work late or leave early. Rest periods shall be considered as time worked. Nurses required to work beyond their regular tour of duty shall be granted a ten (10) minute rest period for each two (2) hours of such work. Rest periods may not be divided so as to increase the total number of rest periods taken. For example, a twenty (20) minute rest period may not be divided by the employee into two rest periods of ten (10) minutes duration.

Regularly Scheduled Tour of Duty	Number and Limit of Rest Period

PHYSICAL FITNESS

Nurses Unit

The parties agree that physical and mental fitness of County nurses are reasonable requirements to perform the duties of the job and instill public confidence. Recognizing these important factors, the parties agree that during the term of this Agreement the County, with clearly articulated reasons, may require medical and psychological assessments of nurses provided the County pays and provides time off without loss of pay for such assessments. All such assessments shall be done by appropriately qualified health care professionals.

If the examination report of the competent authority (e.g., physician, appropriate practitioner, etc.) shows the nurses to be in an unfit condition to perform the duties required of the position, the County shall have the right to compel such nurse to take sufficient leave of absence with or without pay, at the nurse's discretion; to transfer to another position without reduction in compensation; and/or follow a prescribed treatment regimen until medically qualified to return to

unrestricted duty. If required, a nurse who has been removed from duty for physical or psychological reasons may not return to duty until medical clearance has been obtained.

Medical and psychological reports shall be released to and retained by the Center for Employee Health and Wellness. The information in these reports shall only be released in accordance with applicable laws and regulations, restricted to the purpose for which the examination was originally required, for the effective conduct of County business.

Any remedial or treatment action shall be the full responsibility of the nurse, except as otherwise provided by law or as may be provided through the Employee Assistance Program for County employees.

PREHEARING DISCUSSIONS

Nurses Unit

The parties agree that prior to submitting any matter within the appeal jurisdiction of the Civil Service Commission for adjudication, other than disciplinary matters, both parties shall discuss such matters at the earliest moment.

All parties agree to provide full disclosure and to extend good faith efforts to resolve disputes through these discussions.

Upon declaration of impasse by either or both parties, the matter may be submitted to the Civil Service Commission within five (5) working days of such declaration.

Nothing in this Article shall serve to waive the rights of the appellants or their representatives to the appeal procedure due to a lapse of time resulting from such prehearing discussions.

PROBATIONARY PERIOD

Nurses Unit

The probationary period for nurses shall be 1,600 hours.

The probationary period ends at the end of the pay period in which the employee has completed the required number of service hours.

The probationary period will be automatically extended for each hour during which the employee is on leave without pay. In situations where the employee is on continuous paid sick leave for eighty (80) or more consecutive hours, or on modified duty for occupational or non-occupational reasons, the probationary period may be extended at the discretion of the appointing authority. Such extension is in addition to the fifteen (15) pay period extension allowed by the Personnel Rules.

A promoted employee who has attained regular status in another classification of County employment who does not successfully complete the probationary period in the promoted class shall be returned to the former department and classification or a comparable classification without right to review or appeal.

Transferred employees who have attained regular status in the class shall not be required to serve a new probationary period; however, a transferred employee shall serve a performance review of four (4) pay periods. If the employee being transferred has not yet attained regular status, a new probationary period will be initiated, unless waived by the appointing authority subject to the approval of the Director of Human Resources or designee. During the review period, employees who are found to be below standards acceptable to the appointing authority shall be returned to the former department and classification or a comparable class without right to review or appeal. Transferred employees may return to the former department within the review period, upon request.

Nurses who have completed probation in their current classification shall not be required to serve a probationary period upon reassignment.

Employees must attempt to resolve an issue with their immediate supervisor prior to submitting such issue to the Practice Committee. The recommendations of the Practice Committee are advisory only and are not subject to the Grievance Procedure; however, the failure of the County to respond in writing to recommendations may be a proper subject for a grievance. The Practice Committee shall prepare an agenda which shall be provided to the designated County Nursing Administrators in advance of the scheduled meeting for information purposes only. Meeting space shall be provided by the County.

(d) Recommendations

Whenever the Practice Committee makes a written recommendation to the appropriate nurse manager, a response in writing shall be made as soon as practicable, but no later than thirty (30) days, unless the Association and the County mutually agree that the time may be extended.

(e) Release Time

Committee members shall receive paid release time during work hours to attend meetings, not to exceed two (2) hours per month, exclusive of travel time. In addition, Practice Committee members shall receive paid release time during work hours for attendance at meetings requested by the administration. Lastly, the Practice Committee chairperson shall be entitled to one (1) hour of paid time (at straight time) per month. Such release time or additional hour of pay for the chair shall not be counted as hours worked for purposes of calculating overtime.

The trust will establish individual accounts for each participant who will be credited with earnings/losses based upon the investment performance of the participant's individual account. All of the contributions to the Trust Fund will be treated for tax purposes, as employer, non-elective contributions resulting in tax-free contributions for the County. All of the distributions from the Trust Fund made to retirees or their eligible dependents for the reimbursement of qualified medical expenses as defined by the Internal Revenue Codes (including medical and other eligible insurance premiums) will also be non-taxable to the retiree or the retiree's eligible dependent(s).

The trust fund is a Voluntary Employees Benefit Association (VEBA) and will comply with all of the provision of Section 501 (c) (9) of the Internal Revenue Code.

RETIREMENT SYSTEM CONTRIBUTIONS

Nurses Unit

Section 1 – Eligibility

Under the provisions of the County Employee's Retirement Law of 1937, all employees in regular positions who are scheduled to work for a minimum of forty (40) hours per pay period shall become members of the San Bernardino County Employees' Retirement Association (SBCERA). Per Diem Nurses are not eligible for membership in SBCERA and therefore do not earn service credit.

Exception: Employees first hired at age 60 or over may choose not to become a member of SBCERA at the time of hire. If this election is made, the employee will participate in the County's PST Deferred Compensation Retirement Plan. Said employee shall contribute five percent (5%) of the employee's biweekly gross earnings and the County shall contribute two and one-half percent (2.5%) of the employee's biweekly gross earnings. The employee's contributions to the PST Deferred Compensation Retirement Plan shall be automatically deducted from employee's earnings. Maximum total contributions shall be seven and one-half percent (7.5%) of the employee's maximum covered wages for Social Security purposes. Employees shall be automatically enrolled in the Plan upon notification from the Board of Retirement that the employee has opted out of SBCERA membership.

Employees who made the election not to be a member of the SBCERA prior to December 30, 2000, and were receiving the County's seven percent (7%) pick up in cash as described in Section 2 of this Article, shall continue to receive the seven percent (7%) retirement pick up. Employees who make this election on or after December 30, 2000, shall not be provided the pick up as described in Section 2.

Section 2 – County Contributions

For all eligible employees, the County will pick up a portion of the employees' required contribution to the San Bernardino County Employees Retirement Association in accordance with the following schedule:

0 Through 2 Years of County Service	At 3 Through 4 Years of County Service	At 5 Years of County Service
2.5%	5%	7%

For purposes of the County pick up of a portion of the employees' required contribution, RNs that move from a per diem position to a regular position without a break in service will earn "County service" according to the following formula: one (1) year for each 2,080 hours worked. (i.e. 6,240 per diem hours = 3 years of "County service".) Overtime hours will not count as hours worked for purposes of earning County service.

Additionally, RNs that move from regular to per diem back to regular without a break in service will keep all years of County service for this purpose only (i.e. 1 year regular status + 4,160 per diem hours = 3 years of County service).

The employee must choose to have the contributions designated as all employer or all employee contributions for retirement purposes. If the employee designates the pickup as employer contributions, then for each dollar applied, the employee's retirement obligation shall be satisfied in the amount of the actuarial value of that dollar to the Retirement Association as determined by the Board of Retirement; and the employee may not withdraw this contribution from the Retirement Association.

If the employee designates the pickup as employee contributions, then for each dollar applied, the employee's retirement obligation shall be satisfied in the amount of one dollar; and upon separation without retirement, an employee may withdraw this contribution from the Retirement Association. Upon retirement or separation, all contributions applied under this Section will be considered for tax purposes as employer-paid contributions.

If the employee does not file a designation, the contributions shall be made as employee contributions. Employees receiving Retirement System contributions under the Benefit Plan in effect prior to the effective date of this Article shall continue to have contributions under this Article applied (as employer or employee contributions for retirement purposes) in the same manner as previously applied for the employee until a revised designation is made by the employee.

Any dollars which are remaining after all retirement system obligations are fully satisfied shall be paid to the employee in cash.

Section 3 – Remaining Employee Contributions

Any employee Retirement System contribution obligations which are not paid by the application of Section 1 of this Article shall be “picked up” for tax purposes only pursuant to this Section. The Auditor/Controller-Recorder shall implement the pick up of such Retirement System contributions under Internal Revenue Code Section 414(H)(2) effective with the earnings paid and contributions made on and after the effective date of this Article.

The County shall make member contributions under this Section on behalf of the employee, which shall be in lieu of the employee’s contributions and such contributions shall be treated as employer contributions for purposes of reporting and wage withholding under the Internal Revenue Code and the Revenue and Taxation Code. The amounts picked up under this Section shall be recouped through offsets against the salary of each employee for whom the County picks up member contributions. These offsets are akin to a reduction in salary and shall be made solely for purposes of income tax reporting and withholding. The member contributions picked up by the County under this Section shall be treated as compensation paid to County employees for all other purposes. County paid employer contributions to the County’s Retirement System under this Section shall be paid from the same source of funds as used in paying the salaries of the affected employees. No employee shall have the option to receive the Retirement System contribution amounts directly instead of having them paid to the County Retirement System.

Upon retirement or separation, all contributions picked up under this Section will be considered for tax purposes as employer-paid contributions. Contributions under this Section shall be applied (as all employer or all employee contributions with the same value and restrictions) for Retirement System purposes in the same manner as the contributions under Section 1 of this Article.

Section 4 – Special Provisions

Employees who have thirty (30) years of service credit and no longer make retirement contributions under the provisions of the County Employees’ Retirement Law of 1937, shall be paid in cash seven percent (7%) of earnable compensation as defined by the bylaws of the Retirement Board.

The provisions of this Article shall be applied each pay period.

Section 5 – Survivor Benefits for General Retirement Members Administered by San Bernardino County Employees’ Retirement Association (SBCERA)

Survivor benefits are payable to employed general retirement members with at least 18 months continuous retirement membership pursuant to Section 31855.12 of the County Employees Retirement Law of 1937. An equal, non-refundable employer and employee biweekly contribution will be paid to SBCERA as provided in annual actuarial study.

Assignment and approval of return to work compensation shall be made by the appointing authority or designee based upon the needs of the service.

- (b) Employees assigned to standby duty shall: (1) leave a telephone number where they can be reached or wear a communicating device; and (2) after being told to report to work, the employee shall arrive at the work site no later than the time it takes to commute between the employee's home and the work site. Employees can also be given a designated time to report by the appointing authority or designee.

Section 3 – Call-Back Compensation

- (a) Call-back pay is used when an employee in a regular position returns to active duty and the work site at the request of the appointing authority or designee after said employee has been released from active duty and has left the work site. An employee need not be assigned to on-call or standby duty to receive call-back compensation.
- (b) Call-back compensation shall be paid in the following manner. The employee shall be paid for two (2) hours at one-time the base hourly rate of pay for each call-back occurrence. Said compensation shall be in lieu of any travel time and expense to and from home and the first or last work contact point and shall not be considered hours worked for purposes of overtime. All time actually worked shall be considered as time actually worked for the purpose of overtime.
- (c) Employees shall not be eligible for call-back pay in the following situations: (1) special tours of duty scheduled in advance; (2) the employee is called back within two (2) hours of the beginning of a scheduled tour of duty; or (3) the employee is not required to leave home. Per Diem Nurses Unit

Section 1 – Purpose

Return-to-work compensation is designed to compensate employees for being available to return to work with limited notice and for hours not previously regularly scheduled. There are three (3) types of return-to-work compensation covered by this Article: on-call, standby, and call-back. Assignment and approval of return to work compensation shall be made by the appointing authority or designee based upon the needs of the service.

Section 2 – On-Call Compensation

- (b) On-call duty requires the employee to return a call or page as soon as practicable but not to exceed fifteen (15) minutes.
- (e) Employees assigned to be on-call shall: (1) leave a telephone number where they can be reached or wear a communicating device; and (2) be able to report to their work site within one (1) hour after notification. Employees can also be given a designated time of more than one (1) hour to report by the appointing authority or designee.
- (f) While assigned to on-call duty, the employee shall be free to use the time for his or her own purposes.
- (g) On-call duty shall be compensated at the rate of three dollars and fifty cents (\$3.50) for each full hour of duty or portion thereof. On-call time shall not count as hours worked.
- (h) The employee shall not receive on-call compensation once the employee begins work.

Section 3 – Standby Compensation

- (a) Standby duty requires the employee to return a call or page immediately.
- (b) Employees assigned to standby duty shall: (1) leave a telephone number where they can be reached or wear a communicating device; (2) are required to remain in a state of readiness; and (3) after being told to report to work, employees shall arrive at the work site no later than the time it takes to commute between the employee's home and the work site or employees can be given a designated time to report by the appointing authority or designee.
- (c) Standby pay shall be compensated at minimum wage as provided by the California Industrial Welfare Commission for each full hour of standby duty or portion thereof. Standby hours under this provision shall count as hours worked for overtime purposes.

Examples of application of this provision for computing overtime:

Employee earning \$10.00 per hour works 40 hours in a work period, plus 20 hours of standby.

40 hours x \$10.00 (base salary rate) ¹	=	\$400.00
20 hours x \$ 6.75 (minimum wage)	=	<u>\$135.00</u>
		\$535.00

\$535.00 divided by 60 hours worked (regular rate of pay) ²	=	\$ 8.92
\$8.92 x 1-1/2 (overtime rate)	=	\$ 13.38

Pay for this week would be:

40 hours x \$ 8.92 (regular rate of pay)	=	\$356.80
20 hours x \$13.38 (overtime rate)	=	<u>\$267.60</u>
TOTAL PAY	=	\$624.40

¹Base salary rate is defined in Salary Adjustment, Section 2.

²Regular rate of pay is defined within the requirements of the Fair Labor Standards Act to include all remuneration for employment paid to the employee. When more than one rate of pay is paid for hours worked, the regular rate of pay is calculated using the weighted average of the rates of pay.

- (d) The employee shall not receive standby compensation once the employee begins work.

Section 4 – Call-Back Compensation

- (d) Call-back pay is used when an employee returns to active duty and the work site at the request of the appointing authority or designee after said employee has been released from active duty and has left the work site. An employee need not be assigned to on-call or standby duty to receive call-back compensation.
- (e) Call-back compensation shall be paid in the following manner. The employee shall be paid for two (2) hours at one-time the base hourly rate of pay for each call-back occurrence. Said compensation shall be in lieu of any travel time and expense to and from home and the first or last work contact point. All time actually worked shall be considered as time actually worked for purposes of the Article on "Overtime."
- (f) Employees shall not be eligible for call-back pay in the following situations: (1) special tours of duty scheduled in advance; (2) the employee is called back within two (2) hours of the beginning of a scheduled tour of duty; or (3) the employee is not required to leave home. The employee shall report all time actually worked within a pay period. Such time shall be accumulative and shall be considered as time actually worked for the purposes of the Article on "Overtime."

(1) Advancement for Non-Longevity Steps

- (i) The newly hired nurse shall be eligible for the first step advancement after completion of 1,040 hours (except per diem nurses newly hired into bargaining Unit positions and nurses rehired into the bargaining Unit) and subsequent step advancements after completion of 2,080 hours.

EXAMPLE 1 – A newly graduated nurse is hired as a Registered Nurse I – ARMC. The step progression for this nurse is as follows:

Step Advancement	Step
Hire Step	1
After 1,040 Hours*	2
After 2,080 Hours*	3
After 2,080 Hours*	4
After 2,080 Hours*	5
After 2,080 Hours*	6

*Assumes satisfactory work performance and appointing authority recommendation.

- (ii) Per diem nurses hired into bargaining Unit positions and nurses rehired into the bargaining Unit (unless rehired at a longevity step pursuant to the Reemployment Article) with fewer than ten (10) years of completed service shall advance one (1) step through the top non-longevity step of the salary schedule upon completion of each 2,080 hours of service provided the nurse has a "meets standards" evaluation.

EXAMPLE 2 – A per diem nurse with the equivalent of one (1) year of experience at ARMC and no other prior nurse experience is newly hired into the bargaining Unit as a Registered Nurse II – ARMC. The step progression for this nurse is as follows:

Step Advancement	Step
Hire Step	3
After 2,080 Hours*	4
After 2,080 Hours*	5
After 2,080 Hours*	6
After 2,080 Hours*	7
After 2,080 Hours*	8
After 2,080 Hours	N/A

*Assumes satisfactory work performance and appointing authority recommendation.

- (iii) Per diem nurses hired into bargaining Unit positions and nurses rehired into the bargaining Unit with more than ten (10) years of County service as a nurse shall advance to the appropriate longevity step (i.e., Step 9, 10, 11 or 12) based on total years of County service as a nurse provided a "meets standards" evaluation has been completed.

EXAMPLE 3 – A Correctional Nurse II with eleven (11) years of completed service with the County as a nurse is rehired into the same classification after a break in service of more than one (1) year. The step progression for this nurse is as follows:

Step Advancement	Step
Hire Step	6
After 2,080 Hours*	9
After 2,080 Hours	N/A

*Assumes satisfactory work performance and appointing authority recommendation.

- (iv) An existing nurse with fewer than ten (10) years as a nurse with the County shall advance to the next step (i.e., Steps 2, then Step 3, then Step 4, etc.) at the nurse's next scheduled WPE due date, provided the nurse has received a "meets standards" WPE.

EXAMPLE 4 – A Public Health Nurse II is initially placed at Step 5 of the Group designation or upon implementation of the MOU. The step progression for this nurse is as follows:

Step Advancement	Step
Placement Step	5
Next WPE Due Date*	6
After 2,080 Hours*	7

*Assumes satisfactory work performance and appointing authority recommendation.

(2) Longevity Steps

Upon completion of the required number of years of service with the County as a nurse, nurses shall advance to the longevity steps (i.e., Steps above the top non-longevity step) based on total years of service with the County as a nurse, provided the nurse has a "meets standards" WPE. For example, a nurse who completes ten (10) years of service with the County as a nurse will advance to appropriate longevity step at the nurse's next scheduled annual WPE or the next WPE for which a step increase would be due (not when the nurse completes the years of service), provided the nurse has received a "meets standards" WPE.

- (c) For purposes of this Article only, a "year of County service as a nurse" shall be defined as 2,080 service hours as a registered nurse, including as a per diem nurse, with the County.

SENIORITY, LAYOFF AND RECALL

Nurses Unit

(a) Seniority

Seniority shall be the registered nurse's current beginning (hire) date of continuous service in a regular position with the County.

(b) Layoff

(1) General Provisions

Definition – A layoff is the involuntary separation longer than thirty (30) days of a regular registered nurse without fault of the registered nurse. Layoff applies only to regular positions. A layoff occurs only when there is a surplus of registered nurses, a position is to be deleted from the authorized table of organization, or when funds are withdrawn from a previously funded position.

Furlough – A reduction in hours or involuntary separation not to exceed thirty (30) consecutive work days. The department will make every attempt to seek volunteers before imposing mandatory furloughs. Prior to furlough, the registered nurse and CNA shall be given ten (10) days advanced notice. Furloughs are not to alter existing MOU articles on overtime, benefit plan, leave, or merit step advancements. For purposes of overtime, furlough time shall be counted as time actually worked.

(2) Notification

Whenever an appointing authority believes that a layoff will be necessary, the appointing authority shall submit a layoff plan to the Director of Human Resources for approval. The layoff plan shall include the anticipated number, classification, and position number of registered nurses to be laid off and seniority list by classification of all affected registered nurses. At least fifteen (15) days prior to the proposed layoff, CNA will be notified of the proposed layoff and be given a seniority list. Upon request, CNA may meet with the County to discuss the proposed layoff (e.g., impacts, alternatives to layoffs, positions available in other departments, etc.). After a plan has been approved, the registered nurse shall receive formal notification providing options of alternate positions, if applicable, and will be entitled to three (3) work days to return decision to the appointing authority or designee. Registered nurses shall receive ten (10) working days notification prior to layoff or pay in lieu thereof.

(3) Order

Layoffs shall be made in reverse order of seniority with the least senior registered nurse within a department (ARMC, Sheriff, Probation, Public Health, Behavioral Health, etc.) being laid off first provided the remaining nurses have demonstrated competencies to meet the continuing needs of the department. Registered nurse status will be determined as of the date the layoff plan has been approved.

Layoff of nurses shall be accomplished as follows:

- (i) A nurse identified for layoff may fill any vacancy in the same or "lower classification" in the County for which the nurse is "qualified." Lower classification means a classification for which the maximum salary rate is lower. Qualified means the necessary skills, education, experience, certification, or credentialing needed to perform the duties of the position. The County will make reasonable efforts to insure that the nurse is properly oriented. A nurse shall not be required to fill a vacancy.
- (ii) If there is no vacancy as described in (i), the department shall eliminate the appropriate number of probationary nurses in the affected classification and per diem nurses, in this order, subject to the provisions of this Section.
- (iii) If after eliminating probationary employees in the affected classifications and per diems, there is still a surplus of nurses, a nurse in a layoff affected position shall displace the least senior nurse in the same or lower classification in the affected department provided the nurse is qualified. The order of layoff shall be:
 - Regular part-time
 - Regular full-time

(iv) If no such position exists as described in (iii), the nurse may displace the least senior nurse in the same or lower classification in the County, provided the nurse is qualified.

(v) If filling a vacancy in (i), (iii), or (iv) results in an assignment which the registered nurse considers undesirable, such registered nurse may:

- Be laid off with recall rights
- Voluntarily resign

(c) Recall

Due to the difficulty in recruiting a qualified nursing work force and the need to fill vacancies quickly, a recall list will be established.

(1) As positions become available, the positions shall be offered to a nurse in reverse order of layoff provided the nurse is qualified for the position. A registered nurse who refuses an offer shall be removed from the recall list.

(2) Laid off registered nurses shall remain on recall list for twelve (12) months.

(3) A nurse who accepts a per diem position with the employer will remain on the recall list while in the per diem position for up to twelve (12) months.

SHORT-TERM DISABILITY

Nurses Unit

The County agrees to pay the premium for short-term disability insurance for all registered nurses in regular positions budgeted for forty (40) or more hours per pay period who have completed at least two (2) pay periods of continuous service, each with a minimum of one-half plus one hour of scheduled hours of regular paid time. The short-term disability insurance plan benefit coverage shall include a provision for a seven (7) consecutive calendar day waiting period from the first day of disability before benefits begin and required cooperation with the efforts of the Plan's Nurse Care Coordinator and Employee Health and Productivity in recovering from disability. Benefits shall be fifty-five percent (55%) of base salary up to a weekly maximum established by the State of California for the State Disability Insurance fund. Benefit payments terminate when the employee is no longer disabled, or upon termination of employment from the County, or after fifty-two (52) weeks of disability.

Other benefit conditions shall be determined exclusively by the County consistent with State Disability Insurance practices.

STANDARD TOUR OF DUTY

Nurses Unit

The standard tour of duty represents the time that an employee is regularly scheduled to work. The employee shall be present at the assigned work location and ready to begin work at the start of the standard tour of duty. For payroll purposes, a regularly scheduled tour of duty, which commences before midnight and ends the following day shall be reported as time worked for the day in which the tour of duty began. The appointing authority shall establish the actual number of hours, which comprises the standard tour of duty for each position. The appointing authority may modify or change the number of hours in a standard day, tour of duty or shift for each position to meet the needs of the service. When appointing authorities find it necessary to make such modifications or changes, they shall notify the affected employee(s) in writing indicating the proposed change prior to its implementation advising them to contact CNA or the appointing authority if they have any questions. Any such modifications or changes may not be implemented until the affected employee has received a minimum notice of fourteen (14) calendar days, unless the employee(s) specifically consents to a lesser time period, or in the event of an emergency. If the change affects a significant number of employees, CNA shall be notified. When a change

would affect a significant number of employees and CNA requests to meet and confer regarding the impact of the change on employees, the first step, within ten (10) calendar days of the notification of change, shall be to meet to discuss the impact of schedule changes on employees. The phrase "significant number" shall mean: (a) a majority of the employees in this Unit; (b) a majority of the employees within a department, division, or work unit; or (c) all of the employees within a specific classification in this Unit.

If the parties are unable to reach agreement on the impact of the schedule change, either party may request the assistance of a mediator. The parties shall make every effort to complete the mediation process within thirty (30) calendar days from the date the mediator was requested.

SUCCESSORS

Nurses Unit and Per Diem Nurses Unit

- (a) In the event the County contemplates a merger, sale, permanent closure, leasing, assignment, divestiture, or other transfer of ownership and/or management of operations, the Association shall be notified in writing thirty (30) days prior to Board action.
- (b) Upon such notice, the Association and the County will promptly meet at the Association's request, to engage in good faith bargaining over the impact of such change.

TEMPORARY PERFORMANCE OF HIGHER LEVEL DUTIES (TEMPORARY PERFORMANCE COMPENSATION)

Nurses Unit

Employees that agree to continuously perform the duties of a vacant higher level position, or employees who agree to the temporary assignment of a project involving the performance of more difficult duties and requiring a greater level of skill(s) may be granted additional compensation. No award shall be made in any situation related to a vacation, short-term illness or other temporary relief. For the purpose of this Article, temporary is defined as six (6) weeks or less. The duration of such assignments are not intended to exceed one (1) calendar year.

Eligibility Criteria

Employees will normally have regular status and not be in a probationary status; and there must be evidence of the employee's ability to competently perform the new assignment as determined by the Director of Human Resources or designee and the employee shall be required to meet standards for satisfactory performance.

Assignment Criteria

- (a) Compensation related to project assignments requires the temporary assignment of more difficult duties involving a greater level of skills. Such assignment may be made to allow for employee rotation, enhance upward mobility or to determine the impact of potential operational/organizational changes. The specific, temporary duties must be identified in writing.

Compensation

- (a) Temporary Performance Compensation shall be awarded in pay period increments.
- (b) Temporary Performance Compensation shall be in the form of a specified percentage of the employee's base pay. The Director of Human Resources or designee will determine the amount in increments of one-half percent (1/2%) from a minimum of two and one-half percent (2-1/2%) up to a maximum of seven and one-half percent (7-1/2%). The bonus will be computed at the specified percentage of the current base pay of the employee for each pay period. The bonus shall be considered earnable compensation and shall be considered part of the employee's regular rate of pay for purposes of calculating overtime,

if applicable. Such increases in pay shall not affect the employee's step advancement in the base range pursuant to the Article on "Salary Rates and Step Advancements."

Requests for Temporary Performance Compensation may be initiated by the appointing authority or an employee via the appointing authority. The appointing authority and the employee bear mutual responsibility for initiating the compensation request in a timely manner and adhering to the compensation provisions defined in this Article. It is important to obtain Human Resources Department review of the request in advance of the date the employee begins the assignment, because there is no guarantee the request will be approved. Temporary Performance Compensation is to be effective only with the Director of Human Resources written approval, assignment of the greater level of duties, and signed acceptance by the employee. Under no circumstances will Temporary Performance Compensation be granted retroactively.

Requests for Temporary Performance Compensation shall be reviewed by the Director of Human Resources or designee. Denial of Temporary Performance Compensation shall not be subject to review, appeal, or the Grievance Procedure.

Representation

RNs performing higher level duties as outlined in this article shall remain in the nurse bargaining unit for the duration of the temporary performance.

TERM

The term of this Agreement shall commence upon approval by the Board of Supervisors, and this Agreement shall expire and otherwise be fully terminated at 12:00 a.m. (midnight) of December 3, 2010. If a successor Agreement has not been reached by 12:00 a.m. (midnight) of December 3, 2010, the terms and conditions of this Agreement shall be extended one (1) year or until a successor Agreement is adopted, whichever occurs sooner.

TIME AND LABOR REPORTS

Nurses Unit and Per Diem Nurses Unit

Time and Labor Reports should normally be completed and signed by the employee. Employees shall be provided a copy of any Time and Labor Report whenever said report is submitted without the employee's signature. Payroll specialists who handle Time and Labor Reports shall make every effort to contact the employee regarding any correction to the time shown on said report and explain the reasons for the change before the report is submitted to the Auditor's Office for processing. In all cases where corrections are made in the presence of the employee and accepted, the employee shall approve such corrections by signing a new Time and Labor Report. If time does not allow for this procedure because of the Auditor's deadline, the payroll specialist shall notify the employee of the correction and that an adjustment will be made in a subsequent pay warrant. Unless otherwise provided in this Agreement, time shall be reported in increments of full fifteen (15) minutes actually worked for pay purposes.

The County reserves the right to use other time accumulation devices. If errors result from the improper or unclear preparation of Time and Labor Reports by the employee, the employee shall hold harmless the County for any delays in warrant processing.

TUITION REIMBURSEMENT AND CONTINUING EDUCATION UNITS

Nurses Unit

The County has established for the Nurses Unit a tuition reimbursement procedure to encourage all nurses to pursue educational opportunities and involvement in organizations to enhance their contribution as County employees and assist in their career development. Both parties recognize the importance of continued quality improvement and strongly encourage the utilization of opportunities assisted by this Article.

Registered nurses shall be entitled to an individual, departmental fund in the amount of seven hundred dollars (\$700.00) per fiscal year for each employee in a regular position budgeted and scheduled for more than forty (40) hours per pay period to reimburse employees for tuition costs incurred for completing Continuing Education Units (CEU) or for completion of college coursework leading towards a Bachelor's or Master's degree in Nursing or Public Health. Any unused tuition funds may be carried over one fiscal year. The maximum total amount available for one fiscal year, including carried over funds, shall not exceed a total of fourteen hundred dollars (\$1,400.00). Such reimbursement shall not be applicable to membership dues.

Continuing Education Unit tuition reimbursement shall be utilized for registered nurse license renewal requirements, and/or job related education, provided such CEU education enhances County and/or personal continuing educational goals. Continuing Education Unit tuition costs will be reimbursed only if: (a) the CEU course is approved by the California Board of Registered Nursing (BRN); and (b) the department has made prior approval of this course

Requests for reimbursement must be approved in advance by the appointing authority and shall not be paid in increments less than ten dollars (\$10.00) per fiscal year. Requests for reimbursement shall not be unreasonably denied. Employee initiated education or career development shall not be considered as time actually worked for purposes of computing overtime and normally shall not occur during regular work hours except that which has the prior approval of the appointing authority.

No Unit member shall receive tuition reimbursement in excess of the limitation determined by the Internal Revenue Service. Eligibility for reimbursement is contingent upon an approved course or seminar, completed with, where applicable, a grade of "C" or better or "pass" when taken on a pass/fail basis, except in extenuating circumstances where such a situation as verifiable illness prevents an individual from completing a course.

USE OF BULLETIN BOARDS

Nurses Unit and Per Diem Nurses Unit

The County will furnish CNA a reasonable portion of existing bulletin board space in each department/facility in which there are employees represented by CNA to post notices. Only areas designated by the appointing authority may be used for posting of notices. Bulletin boards shall only be used for the following notices:

- (a) Scheduled CNA meetings, agenda and minutes.
- (b) Information on CNA elections and the results.
- (c) Information regarding CNA social, recreational, and related news bulletins.
- (d) Official business of CNA, including reports of committees or the Board of Directors.

County equipment, materials, or supplies shall not be used for the preparation, reproduction, or distribution of notices, nor shall such notices be prepared by County employees during their regular work time. CNA may utilize the County's interdepartmental mail system provided CNA picks up and delivers necessary bulletins to the mail room, delivery to be concurrent with regular routes with no special trips made by the County, and CNA holds the County harmless against any loss or delays in delivery.

Posted notices, notices sent through interoffice mail, or placed in an employee's County mailbox, shall not contain attacks of a personal nature, disparage or be critical of the County or its employees, violate any Federal, State or County law or policy, pertain to public issues which do not involve the County or its relations with County employees or be obscene, defamatory, or of a political nature. All notices to be posted or distributed must be dated and signed by an authorized representative of CNA, with a copy to be submitted (delivered or faxed) to the Employee Relations Division Manager or designee for review prior to posting or distribution.

In cases where CNA represents more than one (1) authorized employee representation Unit at a

work location, the space described above will become the bulletin board space for all employees represented by CNA at that work location.

USE OF COUNTY RESOURCES

Nurses Unit and Per Diem Nurses Unit

CNA will be granted permission to use County facilities for the purpose of meeting with employees to conduct its internal affairs during non-work hours, provided space for such meetings can be made available without interfering with County needs. Permission to use County facilities must be obtained by CNA from the appropriate appointing authority. CNA shall be held fully responsible for any damages to and the security of any County facilities that are used by CNA. No County vehicles, equipment, computers, time, or supplies may be used in connection with any activity of CNA, except as may be otherwise provided in this Agreement. The use of County e-mail systems by CNA and bargaining Unit employees to broadcast union notices is prohibited.

VISION CARE INSURANCE

Nurses Unit

Subject to carrier requirements, the County will pay the premiums for vision care insurance for all employees (employee-only coverage) in regular positions scheduled at least forty-one (41) hours per pay period.

VOLUNTARY TIME OFF

Nurses Unit

Voluntary Time Off (VTO) Program is intended to provide employees a means of taking unpaid time off work without losing benefits, which depend on the employee being in a paid status. The following conditions apply:

- (a) VTO may be taken at the discretion of the appointing authority in one (1) hour increments and is limited to eighty (80) hours per calendar year. An employee requesting VTO must have leave balances, excluding sick leave, that equal or exceed the amount of VTO being requested.
- (b) When VTO is taken, leave accruals continue as if the employee were on paid time. Vacation maximum accrual limits will be extended by the amount of VTO taken provided that the employee takes the vacation time off during the first thirteen (13) pay periods of the following calendar year. VTO time counts as time worked toward satisfying the required hours to receive the Benefit Plan.
- (c) VTO does not count as hours worked for purposes of computing overtime. Benefits from the Retirement System Contributions Article will only be paid if the employee is in a paid status at least forty (40) hours in any pay period in which VTO is used.
- (d) VTO may not be used for situations that would otherwise require leave without pay, or in conjunction with leave without pay. VTO may be used only by an employee who is otherwise on paid status.
- (e) VTO is an entirely voluntary program. No employee may be required to take VTO.
- (f) VTO may be taken by request of the employee and upon approval of the appointing authority.

WORK DISRUPTION

Nurses Unit and Per Diem Nurses Unit

The parties agree that the duties performed and services provided by Unit employees are essential to the health, safety and welfare of the public. The parties further agree that adequate processes are available to address and/or remedy concerns that may arise during the term of this MOU and any extensions. As such, no work disruptions shall be caused or sanctioned by CNA, or any Unit employees individually or collectively, during the term of this Agreement. Work disruptions include, but are not limited to, sit-down, stay-in, speed-up, or slowdown in any operation of the County of San Bernardino, actions taken in sympathy with any group or cause concerning employment terms or conditions, or any curtailment of work, disruption, or interference with the operations of the County of San Bernardino. The parties shall endeavor to discourage any such work disruptions and make positive efforts to return employees to their jobs or cease the prohibited conduct. The parties acknowledge that participation of any employee in a concerted work action against the County is grounds for disciplinary action, including termination. In the event disciplinary action is taken, the only issue in any appeal shall be whether or not the employee engaged in conduct prohibited by this Article. The parties agree that no lockout of employees shall be instituted by the County during the term of this Agreement, unless such work disruptions occur.

APPENDIX A

APPROVAL BY BOARD OF SUPERVISORS

This Agreement is subject to approval by the Board of Supervisors. The parties hereto agree to perform whatever acts are necessary, both jointly, and separately, to urge the Board to approve and enforce this Agreement.

Following approval of this Agreement by the Board, its terms and conditions shall be implemented by appropriate ordinance, resolution or other appropriate lawful action.

The County and CNA agree that a Classification Study (study) may be requested by affected Public Health Nurses. Human Resources will respond to the employee(s) within ninety (90) days of receipt of the request for a study. If the request for a study is rejected, the response will include the reason(s) for rejection. If the request for a study is granted, the response will include the timeframe for conducting and implementing the study.
